B. CREDIT AND CASH WITHDRAWAL / ADVANCE FEES

- **Credit Limit:** This is the maximum credit limit assigned to the Cardholder after an assessment by City Union Bank. The Credit Limit is attached to the Card Account and includes all transactions, fees, and charges. The total outstanding balance must not exceed this limit.
- **Cash Limit:** This refers to the maximum limit of cash withdrawal that is assigned to the Cardholder. This is lower than the Credit Limit and is a subset of the overall Credit Limit.
- **Transaction Fees for Cash Withdrawals:** A Transaction Fee will be levied on ATM withdrawals, and interest begins to accrue from the date of the transaction. Please refer to the MITC for current fees.
- **Available Credit Limit:** This refers to the remaining credit available to the Cardholder after considering the total outstanding balance on the Card Account. Add-on Cardholders share the Primary Cardholder's Credit Limit.
- **Available Cash Limit:** This refers to the remaining Cash Limit, calculated after considering any outstanding cash withdrawals.
- **International Limit:** If enabled, this is the limit for International Transactions, specified in the Welcome Kit. The Card can be used in India and abroad but cannot be used in Nepal and/or Bhutan for withdrawal of foreign currency. Further, the Card is not valid for payment in foreign exchange at Participating Merchant Establishments in India, Nepal and Bhutan, i.e., while using the Card in Nepal or Bhutan the currency of the transactions should be the local currency of those countries or in Indian Rupees.
- **Multi Cards-Limit Sharing:** For customers holding multiple City Union Bank Credit Cards, the Credit and Cash Limits are shared across all cards. Any usage from one card will impact the available credit for all linked cards.
- **Credit Limit Changes:** City Union Bank reserves the right to change the Credit Limits in accordance with internal guidelines. Changes will be communicated to Cardholders with due intimation of at least one month.
- **RBI Guidelines:** Cards are enabled for domestic transactions by default, but the Cardholder can enable or disable International Transactions, contactless payments, or online transactions through the Bank's channels. The issue and usage of the Card shall be subject to the Reserve Bank of India ("RBI") regulations in force from time-to-time, Exchange Control regulations of the RBI, Foreign Exchange Management Act (FEMA), all the rules and regulations framed under FEMA, notifications / circulars issued and any other corresponding enactment in force from time-to-time.

Credit - Free Period

- **Grace Period:** The interest-free credit period could range from 20 to 48 days, depending on the date of transaction. The interest-free credit period for the current statement will be suspended if any balance from the previous month's bill is not paid by the Payment Due Date.

Illustrative example for the calculation of the interest-free period:

Billing Date: 18th August | Payment Due Date: 5th October

- For a purchase dated 19th August, the interest-free period is from 19th August to 5th October, i.e. 47 days.
- For a purchase dated 15th September, the interest-free period is from 15th September to 5th October, i.e. 20 days.

Thus, the interest-free period will vary depending on the date of purchase within the billing cycle. However, if the Total Amount Due from the previous month is not paid in full by the Payment Due Date, the interest-free credit period will not be applicable, and finance charges will be levied from the transaction date.

For cash advances, interest is charged from the date of the transaction until the date of payment, and no interest-free period is applicable.

If the MAD remains unpaid by Payment Due Date + 1 day, the Bank shall have the right to mark a general lien for the MAD on any deposit(s) or balance(s) held by the Cardholder in any account with the Bank, and may recover the outstanding dues from such accounts/assets without any further notice.”
