Directors' Report

Dear Shareholders

The Board of Directors of your Bank is pleased to present the Annual Report on business and operations of the Bank together with the Audited Financial Statements for the Financial Year ended 31st March, 2021.

ECONOMY OVERVIEW AND BANK'S PERFORMANCE

The year gone has left a scar on the global economy. The year 2021 commenced with both hope and fear. The economies across the world fell off a cliff during the first few months of FY 2021 plunging to the depths of contraction not fathomed before but in the later half of the year, the global economy started to climb from the depth to which it had plummeted during the time of lockdown in the month of April 2020. The Vaccine approvals during December 2020 revived the hopes of turnaround from pandemic but the renewed waves and variants of the virus posed concerns on outlook. The strength of recovery was projected to vary significantly across countries depending on access to medical facilities, policy support, exposure to cross country spillovers etc. The World Economic Outlook had projected the global growth at 6% in 2021 moderating to 4.4% in 2022.

Indian Industry's passage through pandemic has been both deep losses and windows of opportunity. To quote a few, the manufacturing sector witnessed worst contraction, mining sector continued to be languish, crude oil and natural gas production dropped due to infrastructure & operational difficulties. At the same time the pandemic opened the gates for pharmaceuticals and medical exports. The service sector suffered heavily and contact intensive sectors like aviation, tourism, hospitality suffered grievously. The health of the Banking sector emerged as a priority for the Regulator and a number of measures were put in place to mitigate the

impact of pandemic which included inter-alia easier access to working capital, moratorium, asset classification standstill, restriction on dividend payouts etc. With India experiencing a second wave since March 2021, there has been localized lockdowns in states where it has impacted the economic activity. However, with Covid-19 second wave showing signs of decline in early June 21 and the availability of sufficient vaccines by September 2021, growth in second half of FY 2021-22 is likely to pick up which would trigger positive outcome for the Indian economy.

Under the above circumstances, the Bank recorded a total business of ₹ 81,558 crore, an increase of 8% over the previous year figure of ₹ 75,408 crore in FY 2020. The Net Profit of the Bank has increased to ₹ 593 crore from ₹ 476 crore. The Net Interest Income of the Bank stood ₹1,830 crore, a 9% increase over FY 2020 position. The key performance indicators i.e., the Return on Assets of the Bank stood at 1.15%, Return on Equity stood at 10.73%, Net Interest Margin of the Bank stood at 4% and the Cost to Income ratio stood at 41.45% during the reporting year. The financial performance has been discussed in detail in the forthcoming paragraphs. During the year the Bank opened 2 additional branches to total 702 branches and has 1,724 ATM's as at 31st March, 2021. On the digital front, the Bank continued to upgrade and strengthen its Information Technology framework to ensure smooth and secure customer friendly Banking. Further information on the State of Affairs of the Bank has been discussed in detail in the Management Discussion and Analysis Report forming part of this Report.

*Dividend & Dividend distribution Tax reported as per MCA notification on revised AS 4 dated 30th March, 2016.

The Deposits and Advances for the current year stood at ₹ 44,537 crore and ₹ 37,021 crore respectively. The total business stood at ₹ 81,558 crore as compared to ₹ 75,408 crore for the previous year registering a growth of 8%.

The size of the Balance Sheet as on 31st March, 2021 is ₹ 53,312 crore as compared to ₹ 49,734 crore last year recording an increase of 7%.

During the year the Bank earned a Gross profit of ₹ 1,484 crore as compared to previous year's figure of ₹1,341 crore registering an increase of 11%. The Net profit of the Bank for the current year was ₹ 593 crore as against ₹ 476 crore last year.

The Total Income earned by the Bank marginally declined for FY 2021 at ₹ 4,839 crore as against ₹ 4,848 crore in FY 2020. The total expenditure of the Bank decreased by 4% to record ₹ 3,356 crore as compared to ₹ 3,507 crore in the previous year due to reduction in operational expense.

Net Interest Income for the year FY 2021 under review increased by 9% to ₹ 1,830 crore from ₹ 1,676 crore last year. The non-interest income of the Bank increased from ₹ 680 crore to ₹ 705 crore registering a growth of 4% on account of increase in treasury income.

DEPOSITS

The Bank's total Deposits for the year under review increased by ₹3,705 crore to record ₹ 44,537 crore from ₹40,832 crore registering a growth of 9% over previous year. During the current year CASA increased by ₹ 2,784 crore to record ₹12,981 crore from ₹10,197 crore depicting a growth of 27%. The cost of deposit of the Bank decreased to 5.36% from 6.20% as recorded in the previous year.

ADVANCES

Gross Advances of the Bank increased by ₹ 2,445 crore to ₹ 37,021 crore from ₹ 34,576 crore, posting a growth of 7%. The yield on advances declined to 9.91% from 10.76% during the reporting year due to introduction of ECLGS Scheme in which interest was capped at 9.25% and gold loans with lower rate of interest. For FY 2021, the Bank had achieved the target / sub-targets prescribed by RBI for Priority sector, Agriculture, Micro Enterprises, Small / Marginal farmers and weaker section.

The Gross NPA and Net NPA for the year under review stood at 5.11% and 2.97% respectively as compared to 4.09% and 2.29% in the previous year.

The provision for tax for the reporting year decreased to ₹100 crore from ₹110 crore in previous year. The provision made for NPA for the financial year was ₹ 599 crore vis-a-vis ₹ 631 crore last year. The total provision increased by ₹ 26 crore to ₹ 891 crore from ₹ 865 crore.

TREASURY OPERATIONS

Domestic Treasury

The Gross Investments increased by ₹ 287 crore to ₹ 9,523 crore as on 31st March, 2021 from ₹ 9,236 crore as on 31st March, 2020. Out of this, the investments in Government bonds alone account to ₹ 9,333 crore constituting 98% of the total investments. The Non-SLR investments declined by ₹ 107 crore mainly on account of redemption of Security Receipts to the extent of ₹ 105 crore. The Bank utilized the volatile yield movements during the year and through the timely sale of securities, the Bank could book a profit to the tune of ₹ 233.41 crore as against ₹ 159.60 crore made last year.

Forex Treasury

During the financial year 2020-21, Indian Rupee strengthened against USD by 3.70%. Indian rupee against USD opened at 75.95 and closed at 73.10. Major reason attributed for stronger rupee were corporate dollar inflows, gain in local equities and upbeat in risk appetite. During the first half of the financial year, due to the outbreak of the corona virus pandemic rupee depreciated. The large FPI inflows throughout the year favoured rupee amid the pandemic. The Central Bank's reserves during the financial year grew by 22%. During the FY 2020-21, profit on our foreign exchange operation stood at ₹ 91.91 crore as against ₹ 84.62 crore during the previous year.

NET WORTH & CAPITAL ADEQUACY RATIO

Net Worth

The paid-up Share Capital of the Bank increased from ₹ 73.73 crore as on 31st March, 2020 to ₹ 73.88 crore as on 31st March, 2021. During the reporting period the Bank has allotted 15,02,890 equity Shares to employees under Employee Stock Options pursuant to CUB ESOS Scheme 2008.

The Net worth of the Bank stands improved to ₹ 5,798.85 crore as on 31st March, 2021 from ₹ 5,253.24 crore as on 31st March, 2020.

Capital Adequacy Ratio

As per Basel III regulations, banks are required to maintain a minimum Pillar 1 Capital (Tier-I + Tier II) to Risk Weighted Assets Ratio (CRAR) of 9% on an ongoing basis. Besides this minimum capital requirement, Basel III also requires creation of capital conservation buffer and countercyclical buffer of 2.50% at the end of March 2018 in a phased manner beginning from 31st March, 2015 @ 0.625% in each year up to 31st March, 2018. RBI had issued circulars regarding the extension of transitional period for full implementation of Basel III Capital Regulations based on the economic situation and also due to the continuing stress on account of COVID-19 crisis. The last tranche of 'Capital Conservation Buffer Framework' has been deferred from 1st April, 2021 to 1st October, 2021 and it shall continue to apply till the CCB attains the level of 2.5% on 1st October, 2021.

The CRAR required to be maintained for the period ended is 10.875%. The Bank has maintained Tier I CRAR of 18.45% and total CRAR of 19.52% as at 31st March, 2021 which are well above the norm prescribed by RBI.

SHAREHOLDERS' RETURN

Dividend

Pursuant to RBI circular Nos.DOR.BP.BC.No.29/21.02.067 / 2020-21 dt. 4th December, 2020 and DOR.ACC.REC. 7/21.02.067/2021-22 dt. 22nd April, 2021 read with Dividend Distribution Policy of the Bank, the Board of the Bank at its meeting held on 28th May, 2021 had declared an Interim Dividend of ₹ 0.30 per equity share of Face Value of ₹1/- each for the year ended 31st March, 2021 (previous year ₹ 0.50 per equity share) and the dividend has been paid within prescribed time to all shareholders subject to applicable taxes as per the amendments introduced by the Finance Act, 2020 w.e.f. 1st April, 2020. In case any shareholder has not claimed such dividend or of previous years, they may kindly approach the Bank or its RTA.

The Dividend Distribution Policy of the Bank referred above has been framed in terms of Regulation 43A of Securities and Exchange Board of India (Listing Obligations and Disclosures Requirements) Regulations, 2015 and the same has been uploaded in the website of the Bank. Weblink:

BRANCH EXPANSION

Our Bank did not go for any aggressive branch expansion during the year and it added only 2 branches to total 702 as on 31st March, 2021. The total number of ATMs stood at 1,724 (includes 766 Bulk Note Recycler Machines (BRM) which performs the job of accepting and dispensing cash).

During the reporting year, the Bank has replaced old BRM machines with new ones and closed loss making off site ATMs, the details of which are as follows:

Particulars	ATM	BRM	Total
Opened	33	174	207
Closed	70	206	276

BRANCHES

(in Nos.)

As said earlier considering the lockdown situation, the Bank did not resort to expanding its geographical network. At the same time it also closed some of its inoperative / loss making ATMs and BRMs.

As on date, 90% of the Bank's total branches are operational in South, 5% in West, 4% in North and 1% in Eastern parts of India.

FINANCIAL INCLUSION

Financial Inclusion is a concept where the banking financial solution and services are offered to every individual without any forms of discrimination as was as to ensure even the under privileged get easy access to banking channels. The objectives of financial inclusion are to provide the following:

- Basic no frills banking account for making and receiving payments.
- Servicing products (including investment and pension)
- Simple credit products and overdrafts linked with no frills account
- Remittance or money transfer facilities
- Micro Insurance (life) and Non-Micro Insurance (non-life)
- Micro Pension

The concept of Financial Inclusion is being successfully implemented in your Bank. Your Bank is showing tremendous progress in providing basic banking services, especially to the rural citizens. We have got 1,08,169 No Frills accounts and 47 number of OD linked with such accounts. Your Bank has made successful implementation of PMJDY and other Government schemes, at the villages for connecting the underprivileged with our banking network, by conducting frequent campaigns. The Bank has 85,952 PMJDY accounts for March 2021.

By way of establishing BC Outlets, at the unbanked areas and with the introduction of technology products, we are able to provide all the banking services to the rural poor. We have 9 BC outlets in the unbanked areas and 132 BCs are rendering services to the village level beneficiaries.

Your Bank is very much keen in creating an awareness for the Government schemes for Pension, Insurance etc., such as Atal Pension Yojana, MUDRA, PMJJBY, PMSBY etc. We have 63,951 accounts under PMJJBY, 1,03,356 accounts under PMSBY and 30,255 accounts under PMAPY schemes. The Bank has e-KYC system and Aadhaar enabled Payment System (AePS) which helps to render quick services to the rural poor. Besides, the Bank has deployed POS machines at various locations which are very much helpful for doing merchant transactions.

The Customer base of your Bank has recorded an increase through Financial Inclusion and by rendering services through technology products in the unbanked areas, we have created confidence in the minds of the people to get uninterrupted banking services. The Business Correspondents make regular visits to the Villages and provide the banking services at their doorstep. Your Bank is proud to extend its contribution to the social welfare schemes of the Government for our Nation building.

'Financial Literacy Week' is being conducted by the Bank with the aim of furthering financial literacy and also for developing credit discipline and encourage availing credit from formal financial institutions by the customers. As per the objectives of the National Strategy for Financial Education 2020-25, focus will be on the following three topics with a view to improve credit and reduce NPAs:

- Timely repayment and credit score
- Borrowing from Formal Institutions only
- Responsible Borrowing

The Bank conducted campaigns at various places for observing the Financial Literacy Week in an effective manner and to educate its customers properly.

HUMAN RESOURCE DEVELOPMENT

Development of Human resources is an important factor for the growth of any organisation and it involves various aspects including training for improving managerial skills. Your Bank places great value on developing and nurturing its human capital as a critical resource in its efforts for value creation. All CUBians (Employees) periodically undergo in-house and external training programmes for developing their functional and behavioural skills. The Bank has two Staff Training Colleges one at Kumbakonam and other at Chennai both of which has got a state of the art infrastructure facilities and expert faculty members to impart training. Executives and Officers are sponsored to undergo training programmes at IIMs, NIBM, CAB, CAFRAL, SIBSTC, IDRBT etc. There also exists a capacity building program in the Bank as per which employees are encouraged to qualify / get certified in various areas of Banking to grow personally as well as professionally, thereby contributing to overall growth of the organization. Further, as a part of succession planning, recruitment and promotion including lateral entries are undertaken periodically.

In the context of COVID 19, considering the need to adhere to safety norms & to continue the professional development of its employees, the Bank has developed an e-learning Management System (LMS). LMS is a software application for administration, documentation, tracking, reporting and delivery of educational courses / training programmes. It facilitates online learning process at users' convenience.

During November 2020, the Board of the Bank constituted

a Settlement Committee to consider the Charter of demands made by CUB Officers Association (CUBOA) & CUB Staff Union (CUBSU) and revise the pay structure of Employees. To mention, it was even in times of pandemic the management of the Bank negotiated and agreed for a new Pay Settlement with CUB Officers Association (CUBOA) & CUB Staff Union (CUBSU) for the benefit of employees. Further, with a view to motivate and boost employee morale, it has advanced the Pay Settlement in December 2020 itself which was supposed to be taken up for negotiation only in September 2021. The new settlement came into effect from 1st January, 2021. Further, based on the recommendations made by the Compensation & Remuneration Committee of the Board, the Board of the Bank during March 2021 approved a revised pay structure for Executives of the Bank to take effect retrospectively from January 2021.

As in the past the Bank has maintained a cordial and healthy industrial relationship with the employees and we are happy to mention here that there has not been even a single occasion of employee unrest in the Banking history of CUB.

As on 31st March, 2021, the Bank has 5,843 on-roll employees comprising of 50 employees in Executive cadre, 2,349 in Management cadre, 3,192 in Clerical cadre and 252 in Subordinate Staff cadre.

Besides above, the HR function of the Bank also determines and offers employee stock options to employees to create a sense of ownership, the details of which are detailed below.

Employees Stock Option Scheme (ESOS)

The Bank implemented an Employee Stock Option Scheme 'CUB ESOS 2008' for grant of stock options to eligible employees of the Bank. The Shareholders of the Bank approved the scheme on 26th April, 2008 at an Extra Ordinary General meeting of the Bank. The maximum aggregate number of options that may be granted under this scheme is 5,00,00,000. As per the scheme, exercise price of the options shall be decided by the Compensation & Remuneration Committee at the time of grant of stock options. The Bank offers ESOS to its employees which vests over a period of five years from the date of grant of options i.e., 15% options each for first three years and 25% and 30% for fourth and fifth year respectively. The shares are offered at prevailing market prices at the time

of grant to the employees. However the same shall vary pursuant to corporate action viz., Rights Issue, Bonus Issue etc. There were no material changes in the ESOS of the Bank during the period under review and the same is in compliance with the provisions of SEBI (Share Based Employee Benefits) Regulations, 2014 as amended from time to time ("SEBI SBEB Regulations"). As at the end of 31st March, 2021, the Bank has granted 4.83 crore options and only 0.17 crore options are yet to be granted under the scheme.

The disclosures pursuant to Regulation 14 of SEBI SBEB Regulations have been set out in the website of the Bank and also the same is annexed hereto as **Annexure I** *weblink*:

https://www.cityunionbank.com/downloads/ESOP_2021.pdf

In addition, the shareholders of the Bank at its meeting held on 23rd August, 2017 approved new CUB ESOS Scheme 2017 for 3,00,00,000 options on terms and conditions similar to previous one. During the reporting year out of 3,00,00,000 options 34,62,000 stock options were granted to the eligible employees under CUB ESOS Scheme 2017.

AUTOMATION

'Technology' has carved a niche place in Bank's service to the customers, managing and fulfilling customer demands and providing enhanced quality service. Due to the advancement of Information Technology, availability of Internet services through Mobile phones at affordable cost and customer's inclination, particularly the millennials, digital banking has become the order of the day. Due to COVID-19 pandemic, lockdown at various states and social distancing, technology services enable banks and other service industries deliver the service to customers through digital channels.

The Bank has implemented various Digital solutions / products to enable customers to remove the time and distance barriers in availing Banking services. Cyber Security Measures

As the convenience in doing banking transactions through digital channels increases so also, the risks in cyber environment. New types of cyber frauds are emerging with the introduction of new digital channels. As the Bankers are the custodians of Depositors' money, we take utmost care to ensure cyber security measures are implemented.

The solutions implemented in our Bank cover the protection, detection and response for all cyber security threats and risks. The Bank has established a 24*7 Security Operation Centre (SOC). The SOC takes steps to prevent attempts from the IOC (Indicators of Compromise) and IOA (Indicators of Attack) which are received from regulators. The Bank participates in the quarterly cyber drills conducted by IDRBT to enhance our threat detection and prevention capabilities.

Efforts are being taken by the Bank to ensure efficient security implementation by educating & training concerned employees.

Accordingly, during the year, an Impact Assessment was conducted on the following projects of ₹ One crore & above under took by the bank during the year 2018-19 & 2019-20 to ensure that the projects completed are in compliance with the regulations stated by the MCA and to verify the effectiveness and efficiency of the projects.

1. Solid Waste Management
2. Conservation of Water bodies
 - a) Restoration of Groundwater recharge
 - b) Restoration of water ponds / tanks
3. Preventive Health Care services
4. Contribution to Research & Development
5. Swachh Bharat Mission

The impact assessment report is furnished below;

1. Solid Waste Management Project (Outlay ₹ 2.08 cr)

Project Introduction :

The solid waste dumps existing in the Cities are the biggest degrading factors of the environmental elements such as the soil, water and air. They also have a negative impact on the land prices and development in their vicinity. Moreover the population in the surroundings are affected with health issues. Hence it is important to close the dump sites which will eliminate a major setback of our cities. Thus the Solid Waste Management Project has been initiated by City Union Bank in order to protect the land from further degradation.

Objectives :

The Objectives of the Project is to reclaim the land by processing the solid waste materials through the process of bio-mining. The principal objectives of solid waste management are to control, collect, treat, utilise and dispose of the solid wastes in an economical manner consistent with the protection of public health.

Project Details :

The project has been undertaken in association with the Kumbakonam Municipality, Tamilnadu. The work is conducted at the Municipal Compost Yard, Thepperumanallur, Karikulam, and Kumbakonam. The method of bio-mining is being used for disposing the solid waste accumulated in the dump yard. The project is conducted by a private company for removal of waste through bio-mining.

Data Collection :

The vendor has been able to treat a total quantity of 60,308.004 metric cube of solid waste from the dump yard and has been able to reclaim the land of 10.5 acres completely.

Key Observations :

- The Solid Waste has been disposed off efficiently by the process of bio-mining completely without any residues.
- Liberation of dumped landfills.
- The project has improved the quality of air in the surrounding areas.
- In the land reclaimed, a processing plant and a compost pad has been setup for processing of waste.
- Conservation of energy.
- Reduction in Environmental pollution.

Recommendation :

Concerned Authorities may be insisted to create awareness among general public regarding the segregation of biodegradable and non-biodegradable wastes, protection of land from becoming dump yard.

2. Conservation of Water bodies

a) Restoration of Groundwater recharge (Outlay ₹ 1.50 cr)

Project Introduction :

Conservation of Water is the need of the hour in the present scenario. In recent times there has been a rise in the amount of pollutants disposed / discharged into the rivers by industries and other polluting factors, and hence there has been an increased importance for conservation of water. This project has been initiated to conserve water for drinking, farming and for other basic amenities, especially in delta region which will increase the ground water level.

Objectives :

- Conservation of rainwater to recharge the groundwater levels.
- Recharge of groundwater levels to use them for basic amenities by the general public.
- Conserving water for the purpose of agriculture activities.
- To avoid pollution of water.
- To protect the environment from drought.

Project Details :

The project focuses on the recharge of groundwater by desiltation of older ponds for the collection of water. The project has been conducted at Thiruvarur and Thanjavur Districts for recharge of groundwater. The project included cleaning, desilting and deepening of various lakes such as Bamini River, Vellaiyan Lake & Kozhumangalam Lake with the help provided by Cauvery Delta Farmers Association.

Key Observations :

- Recharge of Groundwater table.
- Serves as a waterhole for domestic animals.
- Improvement in the quality of the groundwater.
- Conservation of Water has been achieved.
- Availability of water in abundance for the general public and for the purposes of agriculture.

Recommendation :

Local Bodies may be insisted to;

- Ensure that there is no pollution of ponds.
- Conserve water by desiltation on regular basis.
- Create awareness among the locals regarding the conservation of water.

b) Restoration of water ponds / tanks (Outlay - ₹ 2.80 cr)

Project Introduction :

Conservation of Water has been the utmost priority in the present era. Due to the lack of importance given to conservation of water in the previous decades, there has been a reduction in the ground water level. To mitigate this issue CUB has been one of the major contributors in lending their hands to support this initiative. On a mission to conserve water for future generations to sustain, CUB has undertaken this project of renovating the water ponds / tanks to help conserve water by stagnating the rainwater which shall pave way for recharge of the groundwater levels.

Objectives :

- Conservation of rainwater to recharge the groundwater levels as means of basic amenities for public.
- Conserving water for agricultural activities.
- To avoid pollution of water.
- To protect the environment from drought.

Project Details :

The project's main focus is to save water by stagnating the rain water in one place and thereby forming a pond which shall increase the groundwater tables, thereby helping the flora and fauna to blossom in the surrounding environment. The project was conducted in the town of Kumbakonam thereby supporting the human population settled in and around Kumbakonam. The project is to develop the Ayekulam Tank (outlay - ₹ 1.50 cr) and Pachayappan Tank (outlay - ₹ 1.30 cr) which can store gallons of water and thereby providing water supply during the summer seasons. Also included in the project, was the

construction of footpath around the tank and children's play area for the general public to utilise the tank not only as means of water supply but also to maintain their good health and improve their immune system.

Key Observations :

- The work was done in an efficient manner by usage of machines and vehicles.
- Recharge of Groundwater table.
- Waterhole for domestic animals.
- The quality of the groundwater has also improved drastically.
- Conservation of Water has been achieved.
- The impact of the project is that water is available for usage in abundance for the general public and also for the purposes of agriculture.

Recommendation :

Local Bodies may be insisted to maintain the tank properly and monitor at regular intervals.

3. Preventive Health Care services (Outlay - ₹2.01 cr)

Project Introduction :

"Health Is Wealth" should be the prime motive in this fast growing world economy. A nation's wealth not only depends on the growth of its economy but also on the health of its citizens. CUB has its concern over the health of the society and is always on the lookout to provide help for the needy. CUB along with Rajiv Gandhi University of Health Sciences has come out with the project to provide health camps to the general public of the state of Karnataka.

Objectives :

- To guide the society to a healthier future.
- To promote the importance of maintaining a healthy life.
- To keep an eye on the kind of diseases the society is being affected with.
- To provide high quality medical treatment.

Project Details :

The Rajiv Gandhi University had decided to conduct health camps all over Karnataka State to screen for non-communicable diseases in all age groups. The present day major diseases screened were Diabetes, Hypertension, OBG, Cardicular Diseases, Cancer and Eye diseases. Hence a lot of logistics, infrastructure arrangements, medical equipments and drugs are required for the proposed camps which are provided by CUB.

Key Observations :

- The society at large has benefitted through health camps.
- Various medical treatments were provided for different kind of diseases and the health camps served as a pathway for curing them.
- Awareness among the public has been created regarding the importance of maintaining a healthy life.
- General well-being of the public has been created through health camps.

Recommendation :

- Health camps to be held at frequent intervals.
- Health camps to be held in interior areas where access to good medical infrastructure is not available.

4. Contribution to Research & Development (Outlay - ₹2.10 cr)

Project Introduction :

Indian Institute of Technology (IIT) has been one of the mainstays in providing quality education which has enhanced the standard of living in the society, in an indirect way. IIT has been proactive in promoting quality education to the society and is always on the lookout to bring in new platforms for the development of the students. IIT is providing education under various fields and innovation is the key to their success.

Objectives :

- To provide quality education along with innovation.
- To explore new areas in the field of education.

Project Details :

IIT, Chennai has planned to expand its services into Development of Open Source Platforms and Capacity Building for which CUB has accepted to support them in the best possible way. Since CUB promotes scientific programs and learning, CUB and IIT together are into this project to develop the new platform.

Key Observations :

- The bank has funded for the development of low cost financial analytics platforms for banks & insurance companies which shall serve as an alternative to proprietary products for financial institutions.
- It has helped students to come up with new ideas and innovation based on the field of education.
- More opportunities are provided for students to choose among various fields of education.

Recommendation :

- More innovative projects need to be funded.
- Funding to focus on multiple areas.

5. Contribution to Swachh Bharat Mission (Outlay - ₹2.00 cr)**Project Introduction :**

Waste in any form is a threat to the society. Improper disposal of such waste leads to widespread diseases. It is important to create a proper procedure for disposal of such waste to avoid the spread of any disease. For this reason the government has started an initiative for

proper disposal of waste, that is, the Swachh Bharat Mission. CUB with its solicitude towards the society has taken up this project to contribute to this Mission.

Objectives :

- Construction of Bio toilets
- Cleaning and maintenance of Water tanks
- Construction and Maintenance of Parks as a Green Initiative
- Conservation of flora and fauna
- Construction of toilets at various public schools

Project Details :

CUB has contributed to the Swachh Bharat Mission by generously donating funds to various municipalities for undertaking the cleanliness project.

Key Observations :

- The project is undertaken in and around Kumbakonam, the temple town. Being the town considered as a pilgrimage spot, various people travelling to the town have benefitted and more tourists are being attracted due to the good maintenance of the town.
- The walls of schools are painted to create awareness among students and the general public.
- Toilets have been placed at right areas and hence littering of the place has been avoided.
- Adequate numbers of dustbins are placed at various places and hence the town looks neat and clean.

Recommendation :

The work on Swachh Bharat Mission may be more wide spread across cities.

REPORT ON CORPORATE GOVERNANCE

(Forming part of the Directors' Report for the year ended 31st March, 2021)

Corporate Governance is the system of rules, practices and processes by which an Institution is operated, directed and governed. The main principles of good corporate governance is conducting the business with integrity, being transparent in all transactions, making all the necessary disclosures and complying with the applicable laws, accountability and responsibility towards all the stakeholders and commitment to conduct the business in an ethical manner.

This Report on Corporate Governance is set out pursuant to the provisions of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 (the "Listing Regulations") and forms part of the Directors Report for the Financial Year ended 31st March, 2021.

1. BANK'S PHILOSOPHY ON CORPORATE GOVERNANCE

City Union Bank Limited, (herein after called the "Bank") believes that a good Corporate Governance structure is the one which directs and controls the affairs of the Bank to sustain and improve value creation for all stakeholders. Bank's governance framework recognizes Transparency, Integrity, Honesty and Accountability as core values, and the management believes that the practice of each of these creates the right corporate culture fulfilling the purpose of Corporate Governance.

The Bank's governance code is available on the Bank's website www.cityunionbank.com for general information to all stakeholders. However it is to be recognized that Corporate Governance is not just a destination but a consistent journey to consolidate and enhance sustainable value creation to the Bank by adhering to the core values.

The Bank continues to believe strongly in adopting and adhering to the best governance practices and benchmarking itself against the industries best practices. The Bank always endeavours to achieve the highest levels of governance as a part of its accountability and responsibility towards the shareholder and all other stakeholders. Transparency, Fairness, Responsibility and Integrity continue to be at the epicentre in achievement of good Corporate Governance and the Bank is strongly committed to adhering to the principles for enhancing the stakeholders' values.

The governance practices of the Bank aims to:

- a) enhance the long term wealth creation of all its stakeholders, provide good management standards, adopt prudent risk management techniques and comply with the required benchmark of capital adequacy, thereby safeguarding the interest of all its stakeholders such as shareholders, investors, depositors, creditors, borrowers and employees to maximise benefits to all.
- b) identify and recognise the Board of Directors and the Management of the Bank as the principal instruments through which good Corporate Governance principles are articulated and implemented. The main objective is to identify and recognise accountability, transparency and equal treatment for all stakeholders.

The Bank continues to achieve Corporate Excellence by imbibing the following principles:-

- a) Adhere to the Laws and Regulations both in letter and spirit.
- b) Total commitment to follow ethical practices in all facets of Banking to ensure efficiency in operations so as to maximise value and benefit to all stakeholders.

12. SHARE TRANSFER SYSTEM AND RELATED MATTERS

a. Shares Transfers

M/s. KFin Technologies Private Limited, Hyderabad was the Registrar and Transfer Agent of the Bank for a period upto 26th January, 2021. Subsequently w.e.f 27th January, 2021. onwards M/s. Integrated Registry Management Services Private Limited, Chennai, has been appointed as the Registrar and Share Transfer Agents (RTA) of the Bank to monitors the share transfer process. As per SEBI circular all share transfers shall only take place in demat mode with effect from 1st April, 2019. Now, the shares of the Bank are traded only in demat mode. The Bank obtains from a Company Secretary in practice, a half yearly certificate of compliance with the share transfer formalities as required under Regulation 40(9) of the SEBI Listing Regulations and files a copy of the certificate with the Stock Exchanges. In addition, a half yearly compliance certificate signed by the Compliance Officer of the Bank and Authorised Signatory of the Bank's RTA is being submitted to the Stock Exchanges certifying compliance with Regulation 7(2) of SEBI Listing Regulations, 2015.

Also, as required under Regulation 76 of the SEBI (Depositories and Participants) Regulations, 2018, a Reconciliation of Share Capital Audit is conducted on a quarterly basis by a Practicing Company Secretary and certificate issued in this regard are forwarded to the Stock Exchanges.

As regards shareholders grievance matters viz. share transfers, transmission, issuance of duplicate share certificate etc., the RTA periodically submits a memorandum to the Bank containing the grievances redressed and pending / rejection report, which is approved by Executive Level Committee formed for the purpose. Such Executive Level Committee reports the transfer of securities to the Board of Directors in their monthly meetings. A quarterly report on summary of all Investor Grievances and information as received from the Bank's RTA are placed before the Stakeholders Relationship Committee for information and noting, which includes complaints received through SEBI Complaints Redress System "SCORES", if any.

b. Nomination Facility

Section 72 of the Companies Act, 2013 provides that every shareholder of a Company may, at any time nominate, in the prescribed manner, any person to whom his Securities shall vest in the event of his death. Where the Securities of a Company are held by more than one person jointly, the joint holders may together nominate any person to whom all the rights in the Securities shall vest in the event of death of all the joint holders.

In view of the above, Shareholders may avail of the Nomination Facility. The relevant Nomination Form appended at the end of this report please note that the Nomination shall be automatically rescinded of transfer / dematerialization of the shares.

c. Updation of Permanent Account Number (PAN) and Bank details:

SEBI vide its Circular No. SEBI/HO/MIRSD/DOP1/CIR/P/2018/73 dated 20th April, 2018 has constituted a Committee on "Strengthening the Guidelines and Raising Industry Standards" for RTA, Issuer Companies and Bankers to an Issue with the objective to streamline and strengthen the procedure and processes with regard to handling & maintenance of records, transfer of securities and payment of dividend / interest / redemption of securities. In this regard our Bank has issued notice / letter to the shareholders who have not updated the PAN and Bank account details in order to process the corporate benefits through ECS facility. The Bank has already provided the Electronic Clearing Service 'ECS' facility to its shareholder(s) who have already registered personal Bank details with the Bank's RTA / DP for availing various corporate benefits viz., Dividend etc., and get the credit in their registered Bank account by way of NEFT / RTGS / Direct credit.

As per the Bank's records on 31st March, 2021, 94% of the shareholder(s) have registered their ECS mandate. The shareholder(s), by availing this facility can mitigate the risk of Non / Late - Receipt of Dividend Warrants, loss, misplace, re-validation etc., and save their precious time involved in en-cashing the physical warrants.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Economic Scenario:

Global

In the year 2020, the global economic landscape was overcast with COVID-19 a virus which had resulted in over 175 million infections and over 3.50 million casualties worldwide. The global economy witnessed an unprecedented downturn in FY 2020-21 due to the Covid-19 pandemic. No major country except China showed positive growth during the year. Central banks across the Globe provided liquidity support along with various credit extension policies to a wide range of borrowers. This was augmented with the Government measures to support firms and households with a number of measures, such as wage subsidies, liquidity support, unemployment insurance and nutrition assistance. These measures increased the momentum of economic activity in the latter part of the year. The IMF (International Monetary Fund) predicted in its April 2021 World Economic Outlook that the global economy is projected to grow at 6.0 per cent in the year 2021.

Global Trade contracted by around 8.5 per cent with the decline in services trade outpacing the decline in merchandise trade in the year 2020. The trade volumes however rebounded in the second half of the year due to increase in demand for consumption durables and resumption of supply chains. However trade in services remained subdued. Overall trade volumes contracted by 8.5% in 2020. Oil and Crude prices have been continuously rising since May 2020. As the recovery strengthens in 2021 global trade is expected to accelerate. The IMF has projected an expansion of 8.4 per cent in trade volumes of goods and services. Cross-border services such as Tourism and Transportation is likely to remain subdued until the pandemic recedes globally and restrictions on international travel ease and confidence of customer returns. A collective global effort to fight the pandemic will bring better results, than individual countries fighting alone & the G20 countries goal of a strong, sustainable and inclusive growth is within sight and reach.

Indian

In India, the economy moved from an unprecedented contraction in Q1 of 2020-21 to positive territory by Q3 (Oct - Dec 2020) due to supportive financial conditions aided by RBI's liquidity measures. Indian industry's passage through the pandemic year has been one of both

deep losses and abundant opportunities. The Manufacturing sector suffered the worst with huge losses in Q1. The mining sector suffered the steepest contraction in FY 2020-21 due to supply bottlenecks. Crude oil and natural gas production declined due to lack of critical infrastructure and equipment amidst the operational bottlenecks in the pandemic. The pharmaceuticals sector witnessed a boom aided by the production-linked incentive scheme (PLI) introduced for bulk drugs and medical devices, which augmented the domestic pharmaceutical production and medical exports. The automobiles sector witnessed strong growth on account of consumer preferences for personal vehicles over public transport amidst pandemic. The services sector suffered heavily in the initial period as contact intensive sectors such as aviation, tourism, and hospitality exhibited symptoms of heavy stress. The IT sector displayed resilience amidst the pandemic. The construction sector experienced a boost with the expansion in physical infrastructure with construction of national highways (13,000 kms in 2020-21). FASTags, the facility of cashless tolling which was made mandatory in February 2021 resulted in strong growth of National Electronic Toll Collection (NETC). E-commerce platform witnessed robust growth with rising waves of digitization.

With India experiencing a second wave since March 2021, there has been localized lockdowns in states which has impacted the economic activity. However with Covid-19 second showing signs of decline in early June 21, and the likely availability of sufficient vaccines by September 2021, growth in second half of FY21-22 is likely to pick up which would trigger positive outcomes for the Indian economy.

MONETARY POLICY AND INTEREST RATES

The Reserve Bank of India continued with its accommodative stance and undertook several measures, system wide as well as institution - instrument and sector specific, to arrest the downturn in domestic economic activity, to ease financial conditions and to ease the functioning of financial markets while maintaining financial stability and soundness of payment and settlement systems. The overall total support extended by RBI for the economy upto 5th May, 2021, amounted to ₹ 15.7 lakh crore which constituted around 8 per cent of nominal GDP in 2020-21.

The Reserve Bank of India on the basis of an assessment of the current and evolving macroeconomic situation, made the following changes at its Monetary Policy Committee (MPC) meeting held on 4th June, 2021:

- Policy Repo Rate under the Liquidity Adjustment Facility (LAF) unchanged 4.0 per cent.
- Reverse Repo Rate under Liquidity Adjustment Facility (LAF) was maintained at 3.35 percent.
- Marginal Standing Facility (MSF) Rate and the Bank Rate maintained at 4.25 per cent.

Some of the domestic aspects relied on by MPC for its underlying decision is given below:

- Headline inflation moderated to 4.3 per cent in April from 5.5 per cent in March 2021 while Food inflation fell to 2.7 per cent in April from 5.2 per cent in March 2021.
- Industrial production registered a broad-based improvement in March 2021.
- Highest GST collections during April 2021 with indications of going low in May 2021.
- System liquidity remained in large surplus in April and May 2021.
- Increase in India's foreign exchange reserves by US\$ 21.2 billion in 2021-22 (up to May 28) to US\$ 598.2 billion.

The MPC noted the ongoing impact of second wave of COVID-19 and stressed on policy support from all sides i.e. Fiscal, Monetary and Sectoral to nurture recovery and expedite return to normalcy and decided to continue with its accommodative stance as long as necessary at least during the current financial year and into the next financial year to revive growth on a durable basis and mitigate the impact of Covid-19 on the economy, while ensuring that inflation remains within the target going forward.

DOMESTIC TREASURY

The Bank had utilized the volatile yield movements during the year and through the timely sale of securities, the Bank could book a profit to the tune of ₹ 233.41 crore as against ₹ 159.60 crore made last year. The Gross Investments increased by ₹ 287 crore to ₹ 9,523 crore as on 31st March, 2021 from ₹ 9,236 crore as on 31st March,

2020. Out of this, the investments in Government bonds alone account to ₹ 9,333 crore constituting 98% of the total investments. The Non-SLR investments declined by ₹ 107 crore mainly on account of partial redemption of Security Receipts to the extent of ₹ 105 crore.

FOREX TREASURY

During the financial year 2020-21, Indian Rupee strengthened against USD by 3.7%. Indian Rupee against USD opened at 75.95 and closed at 73.10. Major reason attributed for stronger rupee were corporate Dollar inflows, gain in local equities and upbeat risk appetite. During the first half of the financial year due to the outbreak of pandemic, the rupee depreciated. The large FPI inflows throughout the year favoured rupee amid the pandemic. The Central Bank's reserves during the financial year grew by 22%. During the FY 2020-21, profit on our foreign exchange operation stood at ₹ 91.91 crore as against ₹ 84.61 crore during the previous year.

Commodity Price Risk or Foreign Exchange Risk and Hedging Activities

For managing foreign exchange risk, the Bank has Integrated Treasury Policy duly approved by the Board wherein Intraday Limit, Overnight Limit, Per Deal Limit, Stop Loss and Book Profit Limits have been stipulated. The Bank offers only forward contracts for hedging and is not running books for any other derivative products. The Bank has no exposure in commodity and hence there is no commodity price risk.

NOTABLE UPDATES IN BANKING INDUSTRY

The RBI had announced additional regulatory measures to ease Financial Stress on 7th April, 2021 in its Statement on Development and Regulatory Policies. The notable among them are as follows:

- TLTRO on Tap Scheme extended by a period of six months till 30th September, 2021. All exposures under this facility exempted from reckoning under the large exposure framework (LEF).

C. Performance of various Business Segments

The Bank operates under four Business Segments namely Treasury, Corporate / Wholesale Banking, Retail Banking, and Other Banking Operations.

The segment wise contributions are as under :

Segments	Gross Profit (₹ in crore)	Percentage to total (%)
Treasury	571.59	38.52
Corporate Banking	344.50	23.22
Retail Banking	546.85	36.85
Other Banking Operations	20.90	1.41
Total	1,483.84	100.00

During the year the total Revenue generated from Treasury Operations amounted to ₹ 945.60 crore as against ₹ 908.95 crore in previous year. The increase in Treasury income could be attributed to the fact that the Indian Rupee performed better with RBI's intervention and our Bank booked significant profit through timely sale of securities. The total revenue generated

from Corporate / Wholesale Banking amounted to ₹ 1,137.26 crore as against ₹ 1,327.97 crore last year. The Retail Banking segment generated revenues of ₹ 2,729.50 crore as against ₹ 2,588.82 crore last year. This can be attributed to a good performance in the domestic Banking space by our Bank due to growth in Deposits and Advances.

Revenues generated from other Banking operations rose to ₹ 27.09 crore this year, compared to ₹ 22.81 crore last year. Thus all the segments except Corporate Banking showed an increasing trend in revenue generation for our Bank.

ASSET QUALITY AND LOAN COMPOSITION

A. Asset Quality

The Gross NPA as at 31st March, 2021 increased to ₹ 1,893.19 crore (5.11%) as against ₹ 1,413.40 crore (4.09%) in FY 2020. The Net NPA stands increased to ₹ 1,075.19 crore (2.97%) in FY 2021 as against ₹ 778.49 crore in FY 2020 (2.29%). The Provision Coverage Ratio was 64% as at 31st March, 2021 (Previous year 65%).

Our Bank had closed the FY2019-20 with the Covid provision of ₹125 crore, which was made during Q4 of FY2020 to meet our future contingencies. Bank further made a Covid provision of ₹100 crore in Q1, ₹115 crore in Q2, and ₹125 crore in Q3 of FY 2020-21. In Overall, Covid provisions stood at ₹ 465 crore as on 31st December, 2020. During Q4 the Bank has utilized a

sum of ₹ 309 crore from Covid adhoc provisions and transferred the same to provision for bad debts. During FY 2021 we have made an additional adhoc Covid provision for ₹ 31 crore. Thus the adhoc Covid provision of ₹ 156 crore prevails.

Priority Sector Advances stood at ₹ 20,647.60 crore as on 31st March, 2021 as compared to previous year amount of ₹ 17,506.89 crore. The total agricultural advances stood at ₹ 4,816.20 crore as on 31st March, 2021 against ₹ 5,463.85 crore as on 31st March, 2020. During the year the Bank had achieved all its targets / sub-targets as specified by RBI.

B. Loan Composition

OPPORTUNITIES AND THREATS

City Union Bank is a prominent and major player not only in Tamil Nadu but in all the Southern states of India. It has also enlarged its presence in the Northern states. Presently the Bank has a network of 702 branches with 630 branches located in South India and 72 branches in other states. With the Forex and Treasury income playing a significant factor in our earnings, there exists enormous scope to expanding our banking services in overseas frontiers, thereby catering to our Indian Diaspora. This will augment our NRE Deposits and Foreign exchange portfolio and boost our exchange income. The concept of Digital Banking which has gained increased momentum during the time of the pandemic would continue to add up numbers in the growth of the Bank.

The presence of innumerable Co-operative Banks and NBFC's (Non Banking Finance Companies) has been giving tough competition to Commercial Banks. Regional Co-Operative Bank with their rural connect have been successful in garnering huge deposit base, especially by offering tailor made products catering to the rural profile. The Covid-19 pandemic has fast tracked Digital

Transformation of the payment ecosystem in India. Besides augmenting the broad based use of technology, the pandemic has augmented the proliferation of digital modes of payment, leading the country towards less-cash alternatives. Digital transactions gained traction with a growing preference for contactless transactions.

Going forward Banks fear that a surge in Covid cases due to second and third wave will impact the growth rates and credit costs at varying degrees, leading to delayed economic recovery and lower credit off take from the Corporate sector due to restricted borrowings. Continued Policy support by the Reserve Bank of India (RBI) especially in the form a Resolution Framework 2.0 stipulates a maximum aggregate exposure of upto ₹ 50 crore as on 31st March, 2021 for MSME's and non- MSME small businesses, which shall aid in their economic recovery. The Central Government on 28th June, 2021 has also increased the threshold for Emergency Credit - Linked Guarantee Scheme (ECLGS) to ₹ 4.5 lakh crore from the current ₹ 3 lakh crore to revive the sectors severely affected by the corona virus pandemic.

The ECLGS scheme aims to provide 100% guaranteed coverage to Banks, NBFC's and other lending institutions to enable them to extend emergency credit to business units affected by the pandemic to meet their working capital requirements. There is plethora of opportunities in the banking sector in the coming days and the Bank should seize those opportunities to achieve a higher growth orbit in the years to come.

RISK MANAGEMENT

The identification, measurement, monitoring and management of risks remain main focus areas of our Bank. Business and revenues are to be weighed in the context of the risks implicit in the bank's growth. The Bank is exposed to a variety of risks notably, Credit Risk, Market Risk and Operational Risk. The main objective of risk management department is to strike a proper balance between risk and return, and it operates within the Board approved risk policy, which is communicated to all the departments.

The Bank has in place, a sound Risk Management Architecture, established by the active involvement and supervision of Board of Directors. The Board of the Bank has constituted a Risk Management Committee, which assesses the Bank's risk profile and key areas of risk in particular. Under the supervision of the Risk Management Committee of the Directors, the Risk Management Committee of Executives functions to ensure that the policy guidelines approved by the Board are implemented and adhered to. It guides the policies, procedures and systems for managing and controlling various types of risks.

The Bank has a Risk Management team headed by the Chief Risk Officer, who reports directly to MD & CEO / Risk Management Committee (RMC) of the Board. In case the CRO reports to the MD & CEO, the RMC shall meet the CRO on one to one basis, without the presence of the MD & CEO, at least once on a quarterly basis. The overall risks faced by the Bank and the risk appetite are evaluated by the team which frames policies and procedures, verifying the models that are used for pricing products, identifying new risks etc. Risk Management practices have been aligned with the best industry practices and are adaptable to the dynamic operating environment and market conditions.

The Bank is BASEL II compliant since 31st March, 2009. The Bank has implemented the BASEL III Capital Regulations from 1st April, 2013, by computing the Capital and Risk weighted Assets as per RBI guidelines dated 2nd May, 2012. The Bank presently adopts Standardized Approach for Credit Risk, Standardized Duration Approach for Market Risk and Basic Indicator Approach for Operational Risk. Necessary initiatives have been

taken for moving over to advanced approaches under BASEL III as per the timelines indicated by RBI. The Risk Management Department of the Bank effectively functions to measure, monitor and control all risks paving way for effective Enterprise-wide Risk Management.

As regards, the details on CRAR, shareholders may kindly refer to the Capital Adequacy" para under the Directors Report.

The Bank has formulated "Internal Capital Adequacy Assessment Process" (ICAAP) document and implemented the same in line with the Basel III requirement commensurate with the Bank's size, level of complexity, risk profile and scope of operations. The ICAAP document includes the capital adequacy assessment and projections of capital requirement for the next three financial years from FY 2022, along with the plans and strategies for meeting the same. The purpose of the document is to inform the Board and the Reserve Bank of India about the Bank's internal capital adequacy assessment process and the Bank's approach to capital and risk management. The document also endeavours to furnish detailed information on the Bank's assessment of the holistic risks, how the Bank intends to identify, assess, monitor, manage and control those underlying risks besides maintaining adequate capital necessary for its current and future internal capital requirements. Thus ICAAP is an important component of Supervisory Review Process (SRP) under Pillar 2 of Basel III framework.

The overall risk of the Bank is being managed through three committees viz.

1. Credit Risk Management Committee (CRMC)
2. Asset-Liability Committee (ALCO)
3. Operational Risk Management Committee (ORMC)

The Bank has put in place the following policies / standards to manage various types of Risks apart from the overall Integrated Risk Management Policy to measure, monitor and control all the enterprise-wide risks and with the objective of integrating all the risks of the Bank.

1. Credit Risk Management Policy
2. Asset and Liability Management Policy
3. Operational Risk Management Policy
4. Stress Testing Policy
5. Pillar 3 Disclosure Policy
6. Business Continuity Plan Policy
7. Inspection and Audit Policy
8. Internal Capital Adequacy Assessment Process (ICAAP) Policy

9. Credit Risk Mitigation and Collateral Management Policy
10. Integrated Risk Management Policy
11. Loan Policy (Including Recovery Policy)
12. Integrated Treasury Policy
13. Policy on Unhedged Foreign Currency exposures of corporates including SMEs
14. Market Risk Management Policy
15. New Product Assessment Policy
16. Risk & Control Self-Assessment standards (RCSA)
17. Pricing Policy
18. MCLR Policy

These policies are subject to review on a periodical basis depending upon the guidelines / directions are given by RBI from time to time or whenever any situations warranting review.

On the advice of the said three Committees and based on the said policy norms, the Bank is able to identify, measure, monitor, analyze, control and mitigate the risks at every stage, prescribe and monitor prudential limits and manage them to face the changing risk environment.

The Pillar 3 Disclosures under Basel III framework are reported in the Bank's website on quarterly basis and also in the Annual Report in the prescribed format as per the Disclosure Policy and RBI norm.

Stress tests and Scenario analysis are conducted on a periodical basis to gauge the level of risk in the assumed crisis situation and remedial / preventive steps have been taken to mitigate risks in all areas. Further, the results of Stress tests are duly being factored into, under Pillar 2 risks while preparing the Internal Capital Adequacy Assessment Process (ICAAP) document on annual basis.

The Banks are expected to maintain a "Leverage Ratio" in excess of 3.50% (from 30th June, 2019) on a quarterly basis under Basel III framework prescribed by Reserve Bank of India. The Basel III Leverage Ratio framework aims to prevent Banks from having an over reliance on leverage. This ratio is meant to be a supplementary measure to risk based capital requirements. For the year ended 31st March, 2021, Leverage Ratio of our Bank stood at 10.05%, the computation of which is duly disclosed in Templates DF17 and DF18 of Basel III - Pillar 3 disclosure as per the extant guidelines of RBI.

RBI has introduced Liquidity Coverage Ratio (LCR) under

Basel III guidelines from 1st January, 2015. The LCR promotes short-term resilience of banks to potential liquidity disruptions by ensuring that they have sufficient High Quality Liquid Assets (HQLAs), which are unencumbered and can be converted into cash to meet its liquidity needs for a 30-calendar day time horizon under a significantly severe liquidity stress scenario. The Bank has been maintaining the LCR above 100% (which was the minimum requirement prescribed by RBI before 17th April, 2020). Due to the COVID-19 pandemic, the minimum requirement was 80% up to 30th September, 2020, after which it was 90% up to 31st March, 2021. From 1st April, 2021, the minimum requirement will be restored to 100%.

In order to further familiarize our operational staff on the various risk aspects Bank has formulated RCSA (Risk Control Self Assessment) standards. To start with workshops followed by questionnaires have been conducted for two products - LAD & JL's highlighting the operational risks involved in those loans. Bank has planned to conduct more such workshops in the coming years covering other products.

INTERNAL CONTROL SYSTEMS

The Bank has in place adequate internal control systems and procedures and has taken into consideration the essential components of Internal Control as stated in the guidance note on Audit of Internal Financial Controls over Financial Reporting issued by The Institute of Chartered Accountants of India.

There exists a system of periodical inspection of the branches, Credit Inspection, Jewel loan inspection and Concurrent audit. The system of regular KYC inspection has been introduced in all the branches ensuring compliance of all KYC and AML Regulations. Periodic cash inspection is carried out at our Currency Chest to test the accuracy of chest transactions. Risk Based Internal Audit (RBIA) conducted at branches focuses on prioritizing the audit assignment and audit resources based on the level of control risks and inherent business risks. Management audit focuses on identifying the adequacy, and effectiveness of processes adopted for decision making at various departments in Head office, Currency chests, Computer System Department, Business Development Centre, International Banking Division, Central Processing Centres (CPC's) etc. The Concurrent Audit serves as an early warning system to ensure detection of lapses, irregularities and as a tool to prevent frauds. The Information Systems Audit (ISA) focuses on the risks and

assesses the adequacy of controls implemented for mitigating the risks. It collects and evaluates the evidence to determine whether all the safeguards are in place.

Inspection and Audit independently evaluates the adequacy, operational effectiveness and efficiency of all internal controls, risk management, governance systems and processes of our Bank. The Audit committee of the Board provides direction and reviews the adequacy of internal audit function, including its reporting structure, coverage and frequency of audits. Inspection and Audit is responsible for self-assessment of the Bank's internal financial controls, by testing and validating the effectiveness of controls on an on-going basis. The Bank also makes an incognito visit to branches in Tamil Nadu on a yearly basis to ensure effective functioning of the branches and also to ensure adherence to RBI guidelines like display of information to public, issue of coins etc.

Our Bank has an exclusive Compliance Department headed by a Chief Compliance officer to ensure effective implementation and compliance of all the directives issued by various Regulators, its Board of Directors and its Own Internal Control Policy(s).

HUMAN RESOURCE DEVELOPMENT / INDUSTRIAL RELATIONS

In addition to what is stated in the Directors Report, the Bank believes that the organizational success depends mainly on the quality of employees. Human Resource Development and Industrial atmosphere plays a prominent role in an organization's growth and our Bank has always maintained cordial relations among its employees at all times. As part of HR strategy, the Bank offers to its employees various monetary and non-monetary benefits based on their performance and ensures that each employee feels part of the Bank and strives to deliver to the best of his abilities.

It needs a mention here that during the reporting year, the management of the Bank considering the risks and efforts put by all employees during hard & continuing phases of COVID pandemic, has granted COVID incentive in monetary terms to all employees of the Bank. Further, during FY 2021, the management of the Bank has entered into pay settlements with CUB Officers Association (CUBOA) and CUB Staff Union (CUBSU) containing various monetary & non-monetary benefits. In fact the settlement which is due in September 2021, was advanced and made effective from 1st January 2021. Further the pay structure of all executives was also revised w.e.f January 2021.

The Human Resource function continued to build & provide a cordial and safe work atmosphere to all employees by implementing the Covid guidelines issued by Health Ministry and State guidelines on staff strength at workplace. Further, awareness is being created on a daily basis with regard to precautions and safety measures to be adopted by employees while on and off the work place. Concerning the health of its employees, Covid vaccine camps are frequently organized at Bank's premises and the Bank encourages all its employees to get vaccinated for the safety of self and others.

OUTLOOK

As the recovery strengthens in latter half of 2021, global trade is expected to accelerate. The IMF projects an expansion of 8.4 per cent in trade volumes of goods and services. Inflation however is expected to remain low in developed economies and in most of the emerging market economies due to slack in economic activity. Cross-border services such as tourism and transportation is likely to remain subdued until the pandemic related international travel ease and confidence of the tourists' returns.

In the era of digital payments, various initiatives such as innovation hub, regulatory sandbox, and offline payment solutions are underway to ensure that India maintains its competency in the digital ecosystem. The RBI is in the process of extending the geo-tagging in place to capture location of Bank branches, ATM's and BC's to cover payment system touch points, enabling accurate capture of their locations. The prospects for Fin Tech in India's financial system in FY 2021-22 will depend upon degree of digital usage and cyber security features in place.

FY 2020-21 has left a deep scar on the economy. The health of the Banking Sector emerged as top most priority for the Reserve Bank of India as it sought to provide more cushion to the sector already ravaged by the pandemic. The timely measures of RBI have infused a sense of optimism amongst banks. Containing measures like lockdown and stoppage of transportation, which paralyzed the business enterprises had their impact on banks in terms of loan recoveries. As said earlier plethora of steps taken by RBI and Government of India like Resolution Plan, ECLGS (Emergency Credit link Guarantee Scheme) etc, would help both banks and their borrowers to withstand the damage caused by the pandemic. These measures along with vaccination drives and a collective effort at the global level to arrest the pandemic are all expected to propel the global economy to stronger position in the year ahead.

INDEPENDENT AUDITOR'S REPORT*To the Members of***CITY UNION BANK LIMITED****Report on the Financial Statements****Opinion**

We have audited the financial statements of City Union Bank Limited ('the Bank'), which comprise the Balance Sheet as at 31st March, 2021, the Profit & Loss Account, and the Cash Flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information. Incorporated in these financial statements are the return of 16 branches and office audited by us and 691 branches & offices audited by other branch statutory auditors. The branch audited by us and those audited by other auditors have been selected by the Bank in accordance with guidelines issued to the Bank by the Reserve Bank of India.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Banking Regulations Act, 1949 as well as Companies Act, 2013 (the 'Act') in the manner so required for banking companies and give a true and fair view in conformity with the Accounting Standards prescribed under Section 133 of the Act read with the Companies (Accounting Standards) Rules, 2006, as amended ("Accounting Standards") as applicable to banks and other the accounting principles generally accepted in India, of the state of affairs of the Bank as at 31st March, 2021, and Profit and its Cash Flows for the year ended on that date.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing ('SAs') specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements Section of our report. We are independent of the Bank in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe

that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Emphasis of Matter

We draw attention to Note No. 12.14 of the Other Notes forming part of financial results which describes the impact and complications due to the outbreak of second wave of novel coronavirus (COVID-19). The situation continues to remain uncertain and in view of its impact on the Bank's financial results, which is significantly dependent on future developments.

Our Opinion is not modified in respect of this matter.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the financial statements as whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

A. Identification of Non-Performing Assets ('NPA') and Provisions on Advances including Implementation of COVID-19 Reserve Bank of India Regulatory Package

(Reference to Schedule 9 read with Statement of Accounting Policies Note 6 and Note No. 12.14 of the Other Notes forming part of Financial Results - Schedule to the Financial Statements)

(₹ in thousands)

Gross Advances	37,02,05,458
Provisions	86,27,170
Net Advances	36,15,78,288
COVID-19 Provisions	15,05,505

Significant estimates and judgment involved**Key Audit Matter**

Identification of NPAs and provisions in respect of NPAs and restructured advances are made based on management's assessment in accordance with norms

issued by Reserve Bank of India on Prudential Norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances.

The provision on NPA are based on the valuation of the security available and also requires management estimates and judgements. In case of restructured accounts, provision is made for diminution in fair value of restructured loans, in accordance with the RBI guidelines.

Accordingly, our audit focused on identification of NPAs and provision on advances as a key audit matter because of the level of management estimates and judgment involved in determining the provision and the valuation of the security of the NPA loans and the resultant impact on the financial statements of the Bank.

Due to the ongoing pandemic and second wave of COVID-19, during our audit we have also identified implementation of the "COVID-19 Regulatory Package - Asset Classification and Provisioning" ('Regulatory Package') issued by the RBI on 17th April, 2020 as a matter of significance in measurement of provision for advances. Since the Bank is permitted to grant moratorium on repayment of loan installments and / or deferment of interest due between 1st March, 2020 to 31st August, 2020 including relaxation in certain parameters, to all eligible borrowers, without considering the same as restructuring, as per RBI's announcement on 27th March, 2020 separate asset classification and provisioning norms have been also prescribed by the RBI in the Regulatory package for such borrowers availing the moratorium benefit.

Since the identification of NPAs and provisioning for such advances requires considerable level of estimation and given its significance to the overall audit including possible observations by RBI which could result in disclosures in the financial statements and regulatory changes due to COVID-19 we have identified this as a key audit matter.

Auditor's Response

Our key audit approach included assessing the design, implementation and operating effectiveness of key internal controls and substantive audit procedures over approval, recording and monitoring of loans, assessing the reliability of documentation, measurement of

provisions, identification of NPA accounts, and Valuation of Security for NPA accounts along with basis and rationale for various other management information's.

We have evaluated details for a sample of exposures for identification of NPA and calculation of Loan Loss provisions including valuation of primary and collaterals as at 31st March, 2021 involving certain degree of estimation.

We have evaluated and understood the Bank's internal control systems completeness, accuracy and relevance of data and to ensure that the same is in compliance with the RBI guidelines on the Prudential Norms on Income Recognition, Asset Classification & Provisioning.

We also selected samples to test potential cases of "ever greening" of loans.

We tested samples to ensure completeness of documentation, adherence of the approval process to the Bank's Policy and board minutes, credit review of customers, review of Special Mention Accounts (SMA) reports and other related documents including evaluation of the past trends of management judgement, governance and review of internal control. Held discussion with the management of the Bank on sectors wherein there has been stress and the steps taken by the Bank to mitigate such sectorial risks.

Obtained an understanding of implementation of the Regulatory Package and with respect to borrowers to whom a moratorium was granted, on a sample basis, we tested that such moratorium was granted in accordance with the board approved policy. We re-performed the calculations for the additional general provisions made in accordance with the "Regulatory Package".

We assessed the appropriateness and adequacy of disclosures against the relevant accounting standards and RBI requirements relating to NPAs including the additional disclosures required to be made in accordance with the Regulatory Package.

B. Valuation of Financial Instruments (Investments)

(Reference to Schedule 8 read with Statement of Accounting Policies Note 5- Schedule to the Financial Statements)

Subjective estimates and judgment involved

Key Audit Matter

Investments are classified into 'Held for Trading' ('HFT'), 'Available for Sale' ('AFS') and 'Held to Maturity' ('HTM') categories at the time of purchase. Investments classified as HTM are carried at amortized cost and investments classified as AFS and HFT are marked-to-market on a periodic basis as per the RBI guidelines.

Accordingly, our audit was focussed on valuation of investments as a key audit matter because of the management judgment involved in determining the value of investments based on the policy of the Bank, impairment assessment for HTM book and the overall impact on the financial statements of the Bank.

Auditor's Response

Our audit approach included assessing the design, implementation and operating effectiveness of management's key internal controls over classification and valuation of Investments. The appropriateness of the valuation methodology and test checking the inputs used such as pricing, measure of volatility and discount factors. Compared the valuation methodology in accordance with the relevant accounting standards / RBI circulars, master directions and guidelines issued from time to time.

We test checked the investments and re-performed independent valuation where no direct observable inputs were used. We reviewed the assumptions used, by considering the alternate valuation method and sensitivity of other key factors assessing whether the financial statement disclosures appropriately reflect the Bank's exposure to investments valuation risks with reference to the requirements of the prevailing accounting standards and RBI guidelines.

C. Information Technology - IT Systems and Controls

Key Audit Matter

The Bank's Key Information Technology (IT) systems is used to record all the operational and financial transactions on a daily basis. The financial accounting and reporting process are highly dependent on information systems and hence we tested automated controls in IT systems.

In addition, large transaction volumes, ensuring integrity and data protection the Bank's Information systems has to be capable to handle the increased cyber risk emanating across the globe.

We have identified 'IT systems and controls' as key audit matter because of the level of process automation, large volume of automated transactions, level of cyber security established by the management and the complexity of the IT architecture of the Bank.

Auditor's Response

We involved our IT Specialists to obtain a detailed understanding of the Bank's IT Systems and its related controls. We tested a sample of assessment in the areas of applications, databases and operating systems that are relevant to our audit in the fields of Core Banking Solutions (CBS) and Treasury Systems.

We obtained a detailed understanding on the General IT controls which includes evaluation of Bank's control to evaluate granting access right, segregation of duties, new user creation, removal of user rights and preventive controls.

We involved our IT Specialists to evaluate and review the security configuration on certain critical aspects of cyber security on network security, operational security, data and client information's, monitoring and recovery management.

D. Direct and Indirect Taxes

(Reference to Notes to Accounts, Note 10.1 & 12.1 read with Statement of Accounting Policies Note 13 & 14 - Schedule to the Financial Statements)

Key Audit Matter

The Bank has evaluated tax positions including matters under dispute which involves significant judgements to determine the possible outcome of these disputes.

Auditor's Response

We have reviewed the nature of the amounts recoverable, obtained details of completed tax assessments and demands for the year ended 31st March, 2021, the sustainability and the likelihood of the amounts recoverable which are pending final resolution.

Information Other than the Financial Statements and Auditor's Report Thereon

The Bank's Board of Directors is responsible for the other information. The other information comprises the Chairman's Statement, CSR initiatives, Director's Report, Annexures to Director's Report, Shareholder's Information, Business Responsibility Report, Corporate Governance Report, Management Discussions & Analysis Report, List of Branches, Basel III Disclosures, Decade of Progress included in the Bank's Annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and the Basel III Disclosures, and accordingly, we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the auditor otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Bank's Board of Directors is responsible for the matters stated in Section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Bank in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, provisions of Section 29 of the Banking Regulation Act, 1949 and the circulars and guidelines issued by Reserve Bank of India ('RBI') from time to time. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments

and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Bank's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error; and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error; design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Bank has adequate internal financial controls with reference to the financial statement are in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause a Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report

unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

The Balance Sheet and the Profit and Loss Account have been drawn up in accordance with the provisions of Section 29 of the Banking Regulation Act, 1949 read with Section 133 of the Companies Act, 2013 read with the Rule 7 of the Companies (Accounts) Rules, 2014.

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of
Sub-Section 3 of Section 143 of the Companies Act 2013*

To the Members of

CITY UNION BANK LIMITED

Opinion

We have audited the Internal Financial Controls over Financial Reporting ("ICFR") of City Union Bank Limited ("the Bank") as of 31st March, 2021 in conjunction with our audit of the financial statements of the Bank for the year ended on that date.

In our opinion, the Bank has, in all material respects, an adequate Internal Financial Controls Systems Over Financial Reporting and such Internal Financial Controls Over Financial Reporting were operating effectively as at 31st March, 2021, based on the Internal Control Over Financial Reporting criteria established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls over Financial Reporting

The Bank's Management and Board of Directors are responsible for establishing and maintaining internal financial controls based on Internal Control over Financial Reporting criteria established by the Bank considering the essential components of Internal Control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its Business, including adherence to the Bank's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable

financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Bank's Internal Financial Controls Over Financial Reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting and the Standards on Auditing as specified under Section 143(10) of the Companies Act, 2013, to the extent applicable to an Audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls Over Financial Reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls System Over Financial Reporting and their operating effectiveness. Our audit of Internal Financial Controls Over Financial Reporting included obtaining an understanding of Internal Financial Controls Over Financial Reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Banks' Internal Financial Controls System Over Financial Reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Bank's Internal Financial Control Over Financial Reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Bank's Internal Financial Control Over Financial Reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Bank; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Bank are being made only in accordance with authorizations of management and directors of the Bank;

and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Bank's assets that could have a material effect on the financial statements.

Inherent limitations of Internal Financial Controls Over Financial Reporting

Because of inherent limitations of Internal Financial Controls Over Financial Reporting, including the possibility of collusion improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Controls Over Financial Reporting to future periods are subject to the risk that the Internal Financial Control Over Financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

2.3 Sale and Transfer to / from HTM category

The value of sales and transfer of securities from HTM category after considering the exemptions allowed by RBI **exceeds** 5 percent of the book value of investments held in HTM category at the beginning of

the year. The profit booked out of sale of HTM securities has been transferred to Capital Reserve.

The details of HTM category as on 31st March, 2021 are furnished below:

(₹ in crore)

Segment	Book Value	Market Value	Excess of Book value over Market value for which provision is not made
SLR	8431.49	8430.11	1.38
NON SLR	1.78	1.97	-

All SLR securities held under HTM have been valued as per FIMMDA/FBIL rates.

During the year ended 31st March 2021, the Bank has sold securities from HTM category exceeding 5% of the book value of investments held in HTM category at the beginning of the year, with due approval. The book value of HTM investment sold during the year ended 31st March 2021 was ₹3,665.16 cr. The 5% threshold limit referred to above is excluding the one time transfers of securities to / from HTM category with the approval of Board of Directors permitted to be undertaken by banks at the beginning of the accounting year, additional shifting of securities explicitly permitted by the Reserve Bank of India from time to time and direct sales from HTM for bringing down SLR holding in HTM category, sales to Reserve Bank of India under pre-announced open market auctions and repurchase of Government Securities by Government of India from banks.

The Book value of SLR securities as on 31st March, 2021 under HTM stood at ₹ 8,431.49 cr which was in

excess of Market value (₹ 8,430.11 cr) by ₹1.38cr. The Book value of Non SLR securities under HTM as on 31st March, 2021 stood at ₹1.78 cr. The Market value of Non SLR securities under HTM was ₹1.97 cr having an appreciation of ₹ 0.19 cr over the book value. The total closing position of HTM category stands at ₹8,433.27 cr with a market value of ₹8,432.08 cr having a depreciation of ₹1.19 cr for which no provision is needed as per extant guidelines.

3.3 Disclosures on risk exposure in derivatives**3.3.1 Qualitative Disclosure****A. Structure and Organisation for Management of risk in derivatives trading**

Operations in the Treasury are segregated into three functional areas, namely Front office, Mid-office and Back-office, equipped with necessary infrastructure and trained officers, whose responsibilities are well defined. The Bank enters into plain vanilla forward contracts only

to backup / cover customer transactions as also for proprietary trading purpose.

The Integrated Treasury policy of the Bank clearly lays down the scope of usages, approval process as also the limits like the open position limits, deal size limits and stop loss limits for trading.

The Mid Office is handled by Risk Management Department. Daily report is generated by Risk Management Department for appraisal of the risk profile to the senior management for Asset and Liability management.

B. Scope and nature of risk measurement, risk reporting and risk monitoring systems

Outstanding forward contracts are monitored by Risk Management Department against the limits (Counterparty, Stop Loss, Open Position, VaR, Aggregate Gap) fixed by the Board and approved by RBI (wherever applicable) and exceedings, if any, are reported to the appropriate authority / Board for ratification.

C. Policies for hedging and / or mitigating and strategies and processes for monitoring the continuing effectiveness of hedges / mitigants

The Bank's policy lays down that the transactions with the corporate clients are to be undertaken only after the inherent credit exposures are quantified and approved for customer appropriateness and suitability and necessary documents like ISDA agreements etc. are duly executed. The Bank adopts Current Exposure Method for monitoring the credit exposures.

While sanctioning the limits, the competent authority stipulates condition of obtaining collaterals / margin as deemed appropriate. The derivative limits are reviewed periodically along with other credit limits.

D. Accounting policy for recording the hedge and non-hedge transactions, recognition of Income premiums and discounts, valuation of outstanding contracts, provisioning, collateral and credit risk mitigation.

Valuation of outstanding forward contracts are done as per FEDAI guidelines in force. Marked to market profit & loss are taken to Profit & Loss account. MTM profit & loss calculated as per Current Exposure method are taken into account while sanctioning forward contract limits to customers and collaterals / cash margins are prescribed for credit and market risks.

The Bank undertakes foreign exchange forward contracts for its customers and hedges them with other banks. The credit exposure on account of forward contracts is also considered while arriving at the total exposure of each customer / borrower and counter party banker. The Bank also deals with other banks in proprietary trading duly adhering to risk limits permitted by RBI, set in the policy and is monitored by mid office. The Marked to Market values are monitored on monthly basis for foreign exchange forward contracts. The credit equivalent is computed under current exposure method. The operations are conducted in terms of the policy guidelines issued by Reserve Bank of India from time to time and as approved by the Board of the Bank.

11. LIQUIDITY COVERAGE RATIO

11.1 Disclosure Format

As per Annexure II.

While the BCBS specifies a ratio of minimum 100 % for all Banks, RBI has made a graduated increase from 60 % to attain 100 % by 2019 as given in the schedule below:

Particulars	January 1, 2015	January 1, 2016	January 1, 2017	January 1, 2018	January 1, 2019
Minimum LCR	60%	70%	80%	90%	100%

11.2 Quality disclosure around LCR

Liquidity Coverage Ratio has been prescribed by RBI based on LCR Standards published by BCBS. The LCR promotes short term resilience of Banks to potential liquidity disruptions by ensuring that they have sufficient High Quality Liquid Assets (HQLAs) to survive an acute stress scenario in the immediate 30 days period.

LCR is defined as :

$$\frac{\text{Stock of High Quality Liquid Assets (HQLA)}}{\text{Total net cash outflows over the next 30 calendar days}} \geq 100 \%$$

The LCR standard aims to ensure that a Bank maintains an adequate level of unencumbered HQLAs that can be converted into cash to meet its liquidity needs for the next 30 days period under a significantly severe liquidity stress scenario specified by RBI.

As part of the various COVID-19 financial measures by RBI vide its press release dated 17th April, 2020, the LCR requirement for SCB is being brought down from 100% to 80% with immediate effect. The requirement was gradually restored back in two phases – back to 90% in 1st October, 2020 and 100% with effect from 1st April, 2021.

The main driver of the LCR is HQLA which consists of Cash in hand, Excess CRR balance as on that particular day, Government Securities in excess of minimum SLR requirement, Government Securities within the mandatory SLR requirement to the extent allowed by RBI under MSF (Presently to the extent of 3.00% of NDTL as allowed for MSF), Facility to avail liquidity for liquidity coverage ratio at 15.00% of NDTL, Marketable securities representing claims on or claims guaranteed by Sovereigns, PSEs or Multilateral Development Banks that are assigned a 20% risk weight under the Basel II standardized approach for credit risk and provided that they are not issued by a Bank / Financial Institution / NBFC or any of its affiliated entities, Marketable securities representing claims on or claims guaranteed by sovereigns having risk weights higher than 20% but not higher than 50%, Common equity shares not issued by a Bank / Financial Institution / NBFC or any of its affiliated entities and included in NSE CNX Nifty and / or S & P BSE Sensex indices. As the LCR is well within the norms, there is no requirement for Intra period changes as well changes over time.

The Bank has a well-diversified funding portfolio. Retail deposits, considered as stable is the major funding source of the Bank, indicating lower dependence of the Bank on wholesale funds.

The impact of derivative exposures and currency mismatch in the LCR is very minimal. There is no such inflows and outflows in the LCR calculation that are not captured in the LCR common template but which the institution considers to be relevant for its liquidity profile.

The Liquidity Risk Management in the Bank is guided by the ALM Policy. The Bank's Liquidity

Management is centralized at Treasury Department as per the directions of ALCO.

12.1 Income Tax

Provision for Income Tax in the current year is made as per Income Computation Disclosures Standards (ICDS) after considering various judicial decisions on certain disputed issues.

In the opinion of the management, no provision is considered necessary for earlier years towards disputed tax liability since for the Income Tax claim of ₹ 1,052 cr (under Appeal) (previous year ₹ 960 cr) and for Service Tax ₹ 11.77 cr (previous year ₹ 30.42 cr) based on the Opinion / Appellate orders decided in its favour on similar issues.

12.2 Inter Branch Reconciliation

Reconciliation of Central Office accounts maintained by branches has been completed upto 31st March, 2021. Adjustment of outstanding entries in Inter Branch Reimbursement account, Clearing Difference Receivable, Funds in Transit and other similar accounts is in progress. In the opinion of the management, there is no consequential material impact.

12.3 Employees Stock Option

The Bank has allotted 15,02,890 (P.Y. 28,18,403) equity shares during the year to its eligible employees who have exercised their options granted under ESOP of the Bank.

12.4 In accordance with the RBI circular DBOD. No. BP.BC.2 / 21.06.201 / 2013-14 dated 1st July, 2013, Banks are required to make quarterly Pillar III disclosures under Basel III capital requirements with effect from 30th September, 2013. The disclosures have been made available on the Bank's web site.

12.6 There are no dues to Micro and Small Enterprises requiring disclosure as at 31st March, 2021 as per the records available.

12.7 Implementation of IndAS:

As advised by RBI, the Bank has submitted proforma IndAS financials for the period ending 30th June, 2020, 30th September, 2020 and 31st December, 2020 in prescribed format.

In terms of RBI notification DBR.BP.BC. No.29/21.07.001/2018-19 dated 22nd March, 2019 has deferred the implementation of IndAS until further notice from RBI.

12.8 Priority Sector Lending Certificates (PSLC)

During the year, Priority Sector Lending Certificate (PSLC) purchased totalling to ₹ 3,787.50 cr (Small & Marginal Farmers ₹2,207.50 cr and Agriculture ₹ 1,580.00 cr) and PSLC Micro Enterprises sold for ₹3,492.50 cr on various dates.

12.9 In accordance with RBI instruction, the Bank has made a provision of 5% amounting to ₹3.27 cr against exposure in the long term food credit advance to Punjab State Government.

12.10 In terms of RBI circular DOR.ACC.REC.

7/21.02.067/2021-22 dated 22nd April, 2021 banks may pay dividend on equity shares from the profits for the financial year ended 31st March, 2021 subject to the quantum of dividend being not more than 50% of the amount determined as per the dividend payout ratio prescribed in para 4 of the said circular. Based on the said circular the Board of Directors have declared an interim dividend of 30 paise (30%) per equity shares for the year ended 31st March, 2021 (previous year 50%).

12.11 In terms of RBI circular No. DBR.No.BP.BC. 64/21.04.048/2016-17 dated 18th April, 2017. No provision is required to be made since we do not have any exposure in telecom sector.

12.12 Previous year's figures have been regrouped wherever necessary to conform to the current year classification.

12.13 Certain improper transactions which had happened during FY 2017-18 amounting to ₹ 31.55 crore "through VISA, MASTER & NPCI networks through ATM switch which were approved outside the Bank's network. arbitration, the insurance company on 20th October, 2020 had signed the settlement agreement and discharged with the Bank for an amount of ₹ 15 crore. The Bank is in receipt of the said amount and accordingly, the amount has been written back.

12.14 The outbreak of Covid-19 pandemic continues to spread across the globe and India resulting in significant volatility in the Global and Indian economy. The extent to which the Covid-19 pandemic will impact the Bank's result will depend on the future development which are highly uncertain including any new strains of the pandemic and action to contain its spread by way of statewise lockdown or to mitigate the impact including further stimulus and regulatory packages, if any. Also, if the pandemic continues there will be a slowdown in the economic activity resulting in increased defaults and resultant increase in provision requirements. In accordance with the 'COVID-19 Regulatory Packages' announced by the RBI on 27th March, 2020, 17th April, 2020 and 22nd May, 2020 to provide relief to borrowers on account of COVID-19 pandemic whose accounts were standard as on 29th February, 2020, the Bank, in accordance with the Board approved policy had offered moratorium to all eligible borrowers for repayment of loan instalments and / or deferment of interest due between 1st March, 2020 to 31st August, 2020 including relaxation in certain parameters, without considering the same as restructuring. The Honourable Supreme Court in a writ petition bearing No.825 of 2020 by Gajendra Sharma Vs Union of India & Anr had vide its interim order dated 3rd September, 2020 has directed the Banks that the accounts which were not declared as Non-Performing Assets (NPA) till

31st August, 2020 shall not be declared as NPA till further orders, pending disposal of the case by the Hon'ble Supreme Court. Pursuant to Supreme Court's final order vacating the stay dated 23rd March, 2021, and the related RBI notification issued on 7th April, 2021, the bank has classified these borrowal accounts as per extant RBI instruction / IRAC norms and utilised the adhoc provision so created to the extant applicable.

12.15 In terms of Department of Financial services vide its letter dated 23rd October, 2020, the bank had paid ₹ 14.84 cr towards ex-gratia interest to all eligible retail loans, MSME loans and credit card dues which was standard as at 29th February, 2020 and the claim for which has already been received. Now, in accordance with RBI Notification dated 7th April, 2021, the Bank is required to refund 'interest on interest' charged to borrowers during the moratorium period as per methodology for calculation of such interest on interest calculated by IBA. The Bank is in the process of implementing the said methodology and calculation of interest relief due to eligible customers. The Bank has provided ₹ 21.02 cr on an estimated basis for providing such interest relief to eligible borrowers.

12.16 Based on the SCN issued and subsequent representation made by the Bank in addition to the personal hearing and submission of additional documents, RBI vide its order ref. CO.EDFD.DECB.No.S15/02.02.002/2021-2022 dated 20th May, 2021 had levied a penalty of ₹1 crore (Rupees one crore only). Being an event occurring after the Balance Sheet date as specified in AS-4, the Bank had provided for the said amount as on 31st March, 2021.

In terms of RBI circular DOR.No. BP. BC. 62/21.04.048/2019-20 dated 17th April, 2020 “COVID 19 Regulatory Package – Review of Resolution Timelines under the Prudential Framework on Resolution of Stressed Assets”.

STATEMENT OF ACCOUNTING POLICIES

1. BASIS OF PREPARATION

The Bank's financial statements are prepared under the historical cost convention and on accrual basis of accounting, unless otherwise stated, by following going concern assumption and conform in all material aspects to Generally Accepted Accounting Principles (GAAP) in India, which comprises applicable statutory provisions, regulatory norms / guidelines prescribed by the Reserve Bank of India, Accounting Standards, Banking Regulation Act, 1949, Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI) and practices prevalent in the banking industry in India.

2. USE OF ESTIMATES

The preparation of financial statements require the management to make estimates and assumptions considered for Assets and Liabilities (including contingent liabilities) as on the date of the financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ from these estimates.

SIGNIFICANT ACCOUNTING POLICIES

3. REVENUE RECOGNITION

Income and Expenditure are accounted on accrual basis, except the following;

- a. Interest on non-performed advances and non-performing investments is recognized as per norms laid down by Reserve Bank of India.
- b. Interest on overdue bills, commission, exchange, brokerage and rent on lockers are accounted on realization.
- c. Dividend is accounted when the right to receive the same is established.

In case of suit filed accounts, related legal and the expenses incurred are charged to Profit and Loss

Account and on recovery the same are accounted as income.

4. EFFECTS OF CHANGES IN THE FOREIGN EXCHANGE RATE

- a. Assets and Liabilities denominated in Foreign Currencies are translated at the rates notified by FEDAI at the close of the year. Profit or Loss accruing from such transactions is recognised in the Profit and Loss Account.
- b. Income and Expenditure items have been translated at the exchange rates ruling on the date of the transactions.
- c. The Bank does not have a branch in any Foreign Country.
- d. Outstanding Forward Exchange contracts are revalued at the exchange rates notified by FEDAI and the resultant net gain or loss is recognised in the Profit and Loss Account.
- e. Foreign Currency Guarantees, Acceptances, Endorsements and other obligations are reported at the exchange rates prevailing on the date of the Balance Sheet.

5. INVESTMENTS

5.1 As per RBI guidelines, the investments of the Bank are classified into the following categories at the time of acquisition

- Held to Maturity
- Available for Sale
- Held for Trading

They are further sub classified and shown in Balance Sheet under the following six categories:

- i) Government Securities
- ii) Other Approved Securities
- iii) Shares
- iv) Debentures and Bonds
- v) Subsidiaries /Joint Ventures and

vi) Others

- a) Securities classified under "Held to Maturity" category are valued at acquisition cost. Where the acquisition cost is higher than the face value, such excess of acquisition cost over the face value is amortised over the remaining period to maturity.
- b) Securities held in "Available for Sale" Category are valued scrip wise as under:
 - i) Government of India Securities are valued at market price as per quotation put out by Fixed Income Money Market and Derivatives Association of India & Bloomberg / Financial Benchmark India Limited.
 - ii) State Government loans, Trustee Securities, Securities guaranteed by Central / State Governments and PSU Bonds are valued on appropriate Yield to Maturity (YTM) basis as per Fixed Income Money Market and Derivatives Association of India & Bloomberg / Financial Benchmark India Limited.
 - iii) Treasury Bills / Certificate of Deposits/ Commercial Papers are valued at carrying cost.
 - iv) Equity Shares are valued at market rate if quoted, otherwise at Break up Value as per the latest Balance Sheet, if available, or ₹1/- per Company.
 - v) Preference shares are valued at market price if quoted or at appropriate YTM basis as per Fixed Income Money Market and Derivatives Association of India & Bloomberg / Financial Benchmark India Limited.
 - vi) Debentures / Bonds are valued at market price, if quoted, otherwise on an appropriate YTM basis.
 - vii) Mutual Funds are valued at market price, if quoted, or at NAV or Market Price / Repurchase Price.
 - viii) Security Receipts are valued at NAV as declared by Securitisation companies.
- c) Individual scrips under "Held for Trading" category are valued at Market Price.

- 5.2 Individual scrips in Available for Sale / Held for Trading are valued at scrip wise aggregated category wise and net depreciation, if any, for each category is charged to Profit & Loss Account, while net appreciation, if any, is ignored.
- 5.3 Shifting of securities from one category to another category is carried out lower of acquisition cost/ book value / market value on the date of transfer. The depreciation, if any on such transfer is fully provided for.
- 5.4 Profit / Loss on sale of Investments in any category is taken to the Profit & Loss Account. However, in case of sale of investment in "Held to Maturity" category, the profit is first credited to Profit and Loss Account and thereafter an amount equivalent to profit, net of statutory reserve and taxes, is appropriated to the Capital Reserve Account.
- 5.5 Commission, brokerage, broken period interest etc. on securities incurred on acquisition is debited to Profit and Loss account. Commission, incentives, brokerage received on subscription is deducted from the cost of the securities.
- 5.6 The Investments shown in the Balance Sheet are net of Depreciation, if any.
- 5.7 The Non Performing Investments are identified and provided for as per RBI guidelines.

6. LOANS / ADVANCES AND PROVISIONS THEREON

- 6.1 Advances have been classified as per the Asset Classification norms laid down by the Reserve Bank of India. The required provisioning for Standard Assets and for Non Performing Assets have been made as per the Regulatory Norms.
- 6.2 Advances shown in the Balance Sheet are net of provisions and interest reserve on NPA accounts, technical write offs, ECGC / DICGC claims received and provisions for Restructured accounts.
- 6.3 Partial recoveries in Non Performing Assets are apportioned first towards charges and interest, thereafter towards principal with the exception of non performing advances involving compromise settlements in which case the recoveries are first adjusted towards principal.

6.4 NPAs are classified into Sub-standard, Doubtful and Loss Assets based on the following criteria stipulated by RBI:

- i. Sub-Standard: A loan asset that has remained non-performing for a period less than or equal to 12 months.
- ii. Doubtful : A loan asset that has remained in the Sub-Standard category for a period of 12 months.
- iii. Loss : A loan asset where loss has been identified but the amount has not been fully written off.

6.5 Provisions are made for NPAs as per the extant guidelines prescribed by the regulatory authorities, subject to minimum provisions as prescribed below:

Substandard Assets:

- i. A general provision of 15% on the total outstanding;
- ii. Additional provision of 10% for exposures which are unsecured ab-initio (i.e. where realizable value of security is not more than 10 percent ab-initio);
- iii. Unsecured Exposure in respect of infrastructure advances where certain safeguards such as escrow accounts are available - 20%.

Doubtful Assets:

- Secured portion:
- i. Upto one year - 25%
 - ii. One to three years - 40%
 - iii. More than three years - 100%
- Unsecured portion - 100%

Loss Assets:

100% to be provided on the total outstanding;

6.6 Floating Provisions:

The Bank has a policy for creation and utilisation of floating provisions separately for advances, investments and general purposes. The quantum of floating provisions to be created is assessed at the end of the financial year. The floating provisions are utilised only for contingencies under extraordinary

circumstances specified in the policy with prior permission of Reserve Bank of India.

6.7 Provision for Country Exposure:

In addition to the specific provisions held according to the asset classification status, provisions are also made for individual country exposures (other than the home country). Countries are categorised into seven risk categories, namely, insignificant, low, moderate, high, very high, restricted and off-credit and provisioning made as per extant RBI guidelines. If the country exposure (net) of the Bank in respect of each country does not exceed 1% of the total funded assets, no provision is maintained on such country exposures. The provision is reflected in Schedules of the Balance Sheet.

7. FIXED ASSETS, DEPRECIATION & AMORTIZATION

7.1 Premises and other Fixed Assets are accounted at acquisition cost less depreciation.

7.2 Depreciation has been provided on the composite value for premises acquired with land and building, where cost of the land is not separately identifiable.

7.3 With effect from 1st April, 2014, in accordance with the Companies Act, 2013, the Bank has provided depreciation based on useful life of the assets in line with Schedule II of the Companies Act, 2013. Further the method of depreciation is on Straight line method (SLM) in respect of all fixed assets. Depreciation on assets purchased and sold during the year is provided on pro rata basis.

8. STAFF BENEFITS

8.1 Provision towards leave encashment is accounted on actuarial basis in accordance with the guidelines contained in Accounting Standard 15 (revised 2005) issued by ICAI.

8.2 Liability for Gratuity to staff is contributed to the Group Gratuity Life Assurance Scheme of the Life Insurance Corporation of India.

8.3 Payments to defined contribution schemes such as Provident Fund and Employees Pension Fund Superannuation Scheme of Life Insurance Corporation of India are charged as expenses as they fall due.

9. EMPLOYEES STOCK OPTION SCHEME

The Employee Stock Option Scheme provides for grant of equity stock options to employees that vest in a graded manner. The Bank follows the intrinsic value method to account for its employee compensation costs arising from grant of such options. The excess of fair market price over the exercise price shall be accounted as employee compensation cost in the year of vesting. The fair market price is the latest closing price of the shares on the stock exchanges in which shares of the Bank are largely traded immediately prior to the date of meeting of the Compensation Committee in which the options are granted.

10. SEGMENT REPORTING

The Bank recognises the Business Segment as the Primary Reporting Segment and Geographical Segment as the Secondary Reporting Segment, in accordance with the RBI guidelines and in compliance with the Accounting Standard 17.

Business Segment is classified into (a) Treasury (b) Corporate and Wholesale Banking, (c) Retail Banking (d) Other Banking Operations.

11. EARNING PER SHARE

Basic earning per share is calculated by dividing the net profit of the year by the weighted average number of equity shares.

Diluted earning per share is computed using the weighted average number of equity shares and dilutive potential equity shares.

12. IMPAIRMENT OF ASSETS

An assessment is made at each balance sheet date whether there is any indication that an asset is impaired. If any such indication exists, an estimate of the recoverable amount is made and impairment loss, if any, is provided for.

13. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

13.1 In conformity with AS.29 "Provisions, Contingent

Liabilities and Contingent Assets" issued by the Institute of Chartered Accountants of India, the Bank recognizes provision only when:

- a) It has a present obligation as a result of a past event.
- b) It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and
- c) a reliable estimate of the amount of the obligation can be made.

13.2 No provision is recognized for:

- i. Any possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Bank; or
- ii. Any present obligation that arises from past events but is not recognized because
 - a) It is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or
 - b) A reliable estimate of the amount of obligation cannot be made.

Such obligations are recorded as Contingent Liabilities. These are assessed at regular intervals and only that part of the obligation for which an outflow of resources embodying economic benefits is probable, is provided for, except in the extremely rare circumstances where no reliable estimate can be made.

13.3 Contingent Assets are not recognized in the financial statements.

14. INCOME TAX

Income Tax comprises Current Tax and Deferred Tax for the year. The Deferred Tax Assets / liability is recognised in accordance with Accounting Standard-22 issued by the Institute of Chartered Accountants of India.

15. NET PROFIT

The Net Profit disclosed in the Profit and Loss Account is after considering:

- 15.1 Provision for Taxes on Income in accordance with statutory requirements.
- 15.2 Provision for Bad and Doubtful Advances and investments.
- 15.3 Contingent Provision for Standard Assets.
- 15.4 Other usual and necessary provisions.

16. SPECIAL RESERVES

Revenue and other Reserve include Special Reserve created under Section 36(i)(viii) of the Income Tax Act, 1961. The Board of Directors of the Bank have passed a resolution approving creation of the reserve and confirming that it has no intention to make withdrawal from the Special Reserve.

CAPITAL ADEQUACY

Qualitative Disclosures :

A. A summary discussion of the Bank's approach to assessing the adequacy of its capital to support current and future activities.

In order to strengthen the capital base of banks in India, the Reserve Bank of India in April 1992 introduced capital adequacy measures in banks, based on the capital adequacy framework (Basel I) issued by Basel Committee on Banking Supervision (BCBS). Initially, the framework addressed capital for credit risk, which was subsequently amended to include capital for market risk as well and the Bank was compliant with regard to maintenance of minimum capital for credit and market risks.

Subsequently, the BCBS released the "International Convergence of Capital Measurement and Capital Standards: A Revised Framework" (popularly known as Basel II document) on 26th June, 2004. Reserve Bank of India issued final guidelines on 27th April, 2007 for implementation of the New Capital Adequacy (Basel II) Framework, which includes capital for Operational Risk.

In line with the RBI guidelines, the Bank successfully migrated to the revised framework (Basel-II) from 31st March, 2009. The Bank has continued the Parallel run of Basel II framework continuously tracking the exposures and studied the impact on Bank's Capital to Risk weighted Assets Ratio (CRAR) on a quarterly basis.

Reserve Bank of India issued guidelines based on the Basel III reforms on capital regulation during May 2012, to the extent applicable to banks operating in India. The Basel III capital regulation has been implemented from 1st April, 2013 in India in phases and it was decided originally to implement 'Capital Conservation Buffer Framework' fully from 31st March, 2018. RBI issued detailed Guidelines on Composition of Capital Disclosure Requirements on 28th May, 2013.

RBI had issued circulars regarding the extension of transitional period for full implementation of Basel III

Capital Regulations based on the economic situation and also due to the continuing stress on account of COVID-19 crisis. The details of extension of 'Capital Conservation Buffer Framework' are furnished below:

RBI circular dated	Deferred from	Implementation from
27.03.2014	31.03.2018	31.03.2019
10.01.2019	31.03.2019	31.03.2020
27.03.2020	31.03.2020	30.09.2020
29.09.2020	30.09.2020	01.04.2021
05.02.2021	01.04.2021	01.10.2021

Accordingly, 'Capital Conservation Buffer Framework' on 'Basel III Capital Regulations', shall continue to apply till the CCB attains the level of 2.5% on 1st Oct, 2021.

RBI has issued circular on "Prudential Guidelines on Capital Adequacy and Liquidity Standards - Amendments" on 31st March, 2015. The Basel III Capital Regulations have been consolidated in Master Circular - Basel III Capital Regulations vide circular No. DBOD.No. BP.BC.1 / 21.06.201 / 2015-16 dated 1st July, 2015, which includes the introduction of Capital buffers.

Under the Basel II framework, the total regulatory Capital comprises Tier I (Core Capital) and Tier 2 Capital (Supplementary Capital). In order to improve the quality of regulatory capital, the capital will predominantly consist of Common Equity Tier1 (CET1) under Basel III. Non-equity Tier 1 and Tier 2 Capital would continue to form part of Regulatory Capital subject to eligibility criteria as laid down in Basel III. The Basel III Capital Regulations continue to be based on three-mutually reinforcing Pillars, viz. Minimum Capital Requirements (Pillar 1), Supervisory Review of Capital Adequacy (Pillar 2) and Market Discipline (Pillar 3) of the Basel II Capital Adequacy framework.

Basel III

The Basel-III norms mainly seek to:

- Raise the quality of capital to ensure that the banks are capable of absorbing losses, both as going concern and as gone concern basis.
- Increase the risk coverage of the capital framework.
- Introduce leverage ratio to serve as a backstop to the risk-based capital measure.
- Raise the standards for the supervisory review process and public disclosures.

The macro prudential aspects of Basel III are largely enshrined in the capital buffers. Both the buffers i.e. the capital conservation buffer and the countercyclical

buffer are intended to protect the banking sector from stressed situations and business cycles.

Minimum Capital Requirements under Basel-III:

Under the Basel III Capital Regulations, banks are required to maintain a minimum Pillar 1 Capital (Tier-I + Tier-II) to Risk-weighted Assets Ratio (CRAR) of 9% on an on-going basis. Besides these minimum capital requirements, Basel III also provides for creation of capital conservation buffer (CCB) and countercyclical capital buffer (CCCB).

As per the extant RBI guidelines mentioned above, the transitional period for full implementation of Basel III Capital Regulations in India has been extended as under:

(% to RWAs)

Capital Ratios (% to RWAs)	31.03.2016	31.03.2017	31.03.2018 / 31.03.2019/ 31.03.2020/ 31.03.2021	01.10.2021*

B. The Bank's approach in assessment of Capital Adequacy

The Bank is following Standardised Approach, Standardised Duration Approach and Basic Indicator Approach for measurement of capital charge in respect of credit risk, market risk and operational risk respectively. Besides computing CRAR under the Pillar I requirement, the Bank also undertakes stress testing periodically in various risk

areas to assess the impact of stressed scenario or plausible events on asset quality, liquidity, profitability and capital adequacy. The Bank conducts Internal Capital Adequacy Assessment Process (ICAAP) on an annual basis to assess the sufficiency of its capital funds to cover the risks specified under Pillar-I and Pillar-II of Basel guidelines. The adequacy of Bank's capital funds to meet the future business growth is being assessed in the ICAAP document.

2. Risk Exposure and Assessment

Risk is an integral part of banking business in an ever dynamic environment, which is undergoing radical changes both on the technology front and product offerings. The main risks faced by the Bank are credit risk, market risk and operational risk. The Bank aims to achieve an optimum balance between risk and return to maximize shareholder value. The relevant information on the various categories of risks faced by the Bank is given in the ensuing sections. This information is intended to give market participants a better idea on the risk profile and risk management practices of the Bank.

The Bank has a comprehensive risk management system in order to address various risks and has set up an Integrated Risk Management Department (RMD), which is independent of operational departments. Bank has a Risk Management Committee of Board functioning at apex level for formulating,

implementing and reviewing bank's risk management measures pertaining to credit, market and operational risks. Apart from the Risk Management Committee of the Board at apex level, the Bank has a strong bank-wide risk management structure comprising of Risk Management Committee of Executives (RMCE) assisted by Asset Liability Management Committee (ALCO), Credit Risk Management Committee (CRMC) and Operational Risk Management Committee (ORMC) at senior management level. Credit Risk Management Committee deals with credit policies and procedures, Asset Liability Management Committee deals with Asset Liability Management (ALM) and Investment Policy of the Bank and Operational Risk Management Committee formulates policies and procedures for managing operational risks.

Basel III

The Bank has formulated the following policies for mitigating the risk in various areas and monitoring the same :

- Integrated Risk Management Policy
- Loan Policy
- Credit Risk Management Policy
- Operational Risk Management Policy
- ALM Policy
- Integrated Treasury Policy
- Inspection and Audit Policies
- KYC Policy
- Risk Based Internal Audit Policy
- Stress Testing Policy

CREDIT RISK: GENERAL DISCLOSURES

Credit Risk

Credit Risk is a possibility of losses associated with diminution in the credit quality of borrowers or counterparties. In a bank's portfolio, Credit Risk arises mostly from lending activities of the Bank, when a borrower is unable to meet its financial obligations emanating from potential changes in the credit quality / worthiness of the borrowers or counterparties.

Credit Risk Management encompasses a host of management techniques, which help the bank's in mitigating the adverse impacts of credit risk. The objective of the Credit Risk Management is to identify measure, monitor and control credit risk by adopting suitable methodology.

The Bank has formulated Loan Policy which stipulates various prudential norms, benchmarks, guidelines for sanctioning of credits and recovery of the same. The Bank has also formulated a separate Credit Risk Management Policy, besides a Policy on Credit Risk Mitigation and Collateral Management.

Credit Risk is assessed by a robust internal credit risk

rating system. Credit Risk Rating is the process wherein the merits and demerits of a borrower are captured and scorings assigned, which enables the Bank to take a view on the acceptability or otherwise of any credit proposal.

Credit Risk Management Policy

The Bank has put in place a well-structured Credit Risk Management Policy duly approved by the Board. The Policy document defines organization structure, roles & responsibilities and the processes whereby the Credit Risk can be identified, quantified and managed. Credit Risk is monitored on a Bank wide basis and the compliance with regard to the risk limits approved by the Credit Risk Management Committee (CRMC) / Board is ensured.

The Bank adopts the definition of 'past due' and 'impaired credits' (for reporting purposes) as defined by Reserve Bank of India under Income Recognition, Asset Classification and provisioning (IRAC) norms (vide RBI Master Circular dated 1st July, 2015).

CREDIT RISK: DISCLOSURES FOR PORTFOLIO SUBJECT TO THE STANDARDISED APPROACH

Qualitative Disclosures :

The Bank is accepting the ratings of the External Credit Rating Agencies approved by Reserve Bank of India, namely a) CRISIL, b) ICRA, c) CARE, d) India Ratings & Research Pvt Ltd, e) Brickwork, f) Acuite Ratings & Research Ltd and g) Infomerics Valuation and Rating Pvt. Ltd. to facilitate the corporate borrowers who enjoy credit facilities above ₹ 5.00 crore to get themselves rated. The corporates which are yet to get the approved ratings from these rating agencies are treated as 'unrated'.

The Bank computes risk weight on the basis of external rating assigned, both long-term and short-term, for the facilities availed by the borrowers. The external ratings assigned are generally facility specific. The Bank follows

the below mentioned procedures as laid down in the Basel III guidelines for usage of external ratings:

- Rating assigned by one rating agency is used for all the types of claims on the borrowing entity.
- Long term ratings are used for facilities with contractual maturity of one year & above.
- Short term ratings are generally applied for facilities with contractual maturity of less than one year.

CREDIT RISK MITIGATION: DISCLOSURES FOR STANDARDISED APPROACHES

Qualitative Disclosures :

The Bank has put in place Credit Risk Mitigation and Collateral Management Policy with the primary objective of:

- Mitigation of Credit Risks and enhancing awareness on identification of appropriate collateral taking into account the spirit of Basel III / RBI guidelines
- Optimizing the benefit of Credit Risk Mitigation in computation of capital charge as per the approaches laid down in Basel III / RBI guidelines.

Valuation and methodologies are detailed in Credit Risk Management Policy, Valuation Policy and Loan Policy of the Bank.

The Bank recognises the following Financial Collateral (FC) for Credit Risk Mitigation.

- a) Cash or Cash equivalent (Bank Deposits / Certificate of Deposits issued by the Bank, etc.)
- b) Gold Jewels
- c) Indira Vikas Patras
- d) Kisan Vikas Patras
- e) National Savings Certificates
- f) Life Insurance Policies with a declared Surrender Value
- g) Securities issued by Central and State Governments

h) Debt Securities rated by a recognized Credit Rating Agency where these are either:

- at least BBB(-) when issued by Public Sector entities; or
- at least A when issued by other entities (including Banks and Primary Dealers); or
- at least PR3 / P3 / F3 / A3 for Short Term Debt Instruments

i) Debt securities not rated by Credit Rating Agency but

- issued by a Bank and
- listed on a recognized Stock Exchange; and
- classified as Senior Debt.

The Bank accepts guarantees from individuals with considerable net worth and the Corporates, besides guarantees issued by Government, other Commercial Banks, ECGC and CGTSI.

Concentration Risk in Credit Risk Mitigation: All types of securities eligible for mitigation are easily realizable financial securities. As such, presently no limit / ceiling has been prescribed to address the concentration risk in credit risk mitigants recognized by the Bank. The portion of advances subjected to CRM including non-funded advances amounted to 20.79% of outstanding total of funded and non-funded credit. The Bank has ensured legal certainty in the matter of credit risk mitigation as per RBI guidelines.

Market risk arises with respect to all market risk sensitive financial instruments, including securities, foreign exchange contracts, equity and derivative instruments as well as from balance sheet or structural positions.

b. Portfolios covered under Standardised approach:

The Bank's portfolio comprises of Government securities, equity shares and forex portfolio.

c. Strategies and processes :

- The Bank has put in place a comprehensive Market Risk Management Framework to address the Market Risks (Bank wide) including that of the Trading Book.
- Within the above framework, various policies of the Bank prescribes Limits like Value at Risk

(VaR), Duration, Minimum holding level for liquid assets, Exposure limits, Forex open position limits (day light / overnight), Stop-loss limits etc.

- Risk profiles are analyzed and the effectiveness of risk mitigants is regularly monitored through Mid Office.
- Adherence to limits are being monitored by dedicated mid office, reporting exceptions to the head of Risk Management Department, independent of Treasury / IBD operational units.

d. Risk Measurement

- Value at Risk (VaR) numbers is arrived for Trading book Central Government Securities and Foreign Exchange Position.
- The positions are marked to market at stipulated intervals. The Duration / Modified Duration for trading book is computed and its adherence to the prescribed duration limits is ensured.
- The Bank is computing capital charge for both investments and foreign exchange exposure categories using Standardised Duration Approach as required under RBI guidelines.
- Stress testing analysis is done by applying rate shocks on investment portfolio and also on foreign exchange open position.

OPERATIONAL RISK

Qualitative Disclosures

Operational Risk is the risk of loss resulting from inadequate or failed processes, people and systems or from external events. Operational risk includes legal risk but excludes strategic and reputation risks.

The Bank has put in place Operational Risk Management Policy duly approved by the Board. This policy outlines the Organisation Structure and covers the process of identification, assessment / measurement and control of various operational risks.

The other policies adopted by the Bank which deal with the management of operational risks are Inspection Policy, Information Security Audit Policy and Policy on Modified code of conduct for Know-Your Customer & Anti-Money Laundering Standards.

Operational Risks in the Bank are managed through comprehensive and well-articulated internal control

framework. Operational Risk is mitigated by effecting suitable insurance coverage wherever necessary. The Bank has also put in place a compliance cell to supervise KYC & AML guidelines and off site monitoring of high value transactions. For accounting operations in the computerized environment, suitable internal control system is maintained and a separate policy on I.T. Security is in place specifying the internal guidelines on access, control, communications, operations, personal security, business continuity management etc.

Quantitative Disclosures

Capital charge for Operational Risk is computed as per the Basic Indicator Approach based on the average of the gross income for the previous three years i.e. 2017-18, 2018-19 & 2019-20 as defined in the Master Circular - Basel III Capital Regulations & New Capital Adequacy Framework guidelines. The required capital is ₹ 307.11 crore.

TABLE DF - 9

INTEREST RATE RISK IN THE BANKING BOOK (IRRBB)**Qualitative Disclosures**

Interest Rate Risk is the risk where changes in the market interest rates might affect a Bank's financial condition. Changes in interest rates affect both the current earnings (earnings perspective) as also the net-worth of the Bank (economic value perspective). The risk from earnings perspective can be measured as impact in the Net Interest Income (NII) or Net Interest Margin (NIM). Similarly, the risk from economic value perspective can be measured as drop in the Economic value of Equity (EVE).

The impact on income (earning perspective) is measured through use of Gap Analysis by applying notional rate shock up to 200 bps as prescribed.

For the calculation of impact on earnings, the Traditional Gap is taken from the Rate Sensitivity statement and based on the remaining period from the mid-point of a particular bucket, the impact for change in interest rates up to 200 bps is arrived at for one year time horizon.

The Bank has adopted Duration Gap Analysis for assessing the impact (as a percentage) on the Economic

Value of Equity (Economic Value Perspective) by applying a notional interest rate shock of 200 bps. RBI has issued draft guidelines vide DBOD.No. BP. 7 /21.04.098 / 2005-06 dated 17th April, 2006 on improvements to Banks' Asset Liability Management framework, covering interest rate risk and liquidity risk measurement / reporting frameworks and prudential limits. Subsequently, on 4th November, 2010 RBI issued a circular on Interest Rate Risk using Duration Gap Analysis and these guidelines have been taken into account while calculating IRRBB. The Bank calculates Modified Duration Gap on Assets & Liabilities and arrives at the impact on

Economic Value of Equity. The Bank is calculating IRRBB on a monthly basis.

Quantitative Disclosures

- The impact of change in Interest Rate i.e. Earnings at Risk for 200 bps interest rate shock as on 31st March, 2021 is ₹118.07 crore.
- The impact of change in market value of Equity for an interest rate shock of 200 bps as on 31st March, 2021 is 5.48%.

TABLE DF - 10

GENERAL DISCLOSURES FOR EXPOSURES RELATED TO COUNTERPARTY CREDIT RISK

Counterparty Credit Risk (CCR) is the risk that a counterparty to a transaction could default before the final settlement of the transaction cash flows. Unlike a firm's exposure to credit risk through a loan, where the exposure to credit risk is unilateral and only the lending bank faces the risk of loss, CCR creates a bilateral risk of loss to either party.

Counterparty credit risk in case of derivative contracts arises from the forward contracts. The subsequent credit risk exposures depend on the value of underlying market factors (e.g., interest rates and foreign exchange rates),

which can be volatile and uncertain in nature. The Bank does not enter into derivative transactions other than forward contracts.

Credit exposures on forward contracts

The Bank enters into the forward contracts in the normal course of business for proprietary trading and arbitrage purposes, as well as for our own risk management needs, including mitigation of interest rate and foreign currency risk. Derivative exposures are calculated according to the current exposures method.

Counterparty Credit exposure as on 31st March, 2021

(₹ in crore)

Nature	Notional Amount	Potential Exposure @2%/10%	Current Exposure	Total credit Exposure
Forward contracts	6338.34	200.65	77.23	277.88

The capital requirement for Bank's exposure to Qualified Central Counter Party (QCCP) has been computed for the exposure to Clearing Corporation of India (CCIL) as on 31st March, 2021 amounting to ₹ 94.85 crore with risk weighted assets of ₹ 18.97 crore, which is forming part of credit risk total. In terms of RBI circular dated 28th March,

2013, the Credit Valuation Adjustment (CVA) risk capital charge has been computed, which amounted to ₹ 1.10 crore (the corresponding risk weighted value of ₹ 13.75 crore has also been added to credit risk weighted assets).

LEVERAGE RATIO

Leverage Ratio is a non-risk based measure of all exposures for the Tier-I Capital. The leverage Ratio is calibrated to act as a credible supplementary measure to the risk based capital requirements. The Basel III Leverage Ratio is defined as the Capital measure (the numerator) divided by the exposure measure (the denominator), with this Ratio expressed as a percentage. Previously, the

indicative benchmark Leverage Ratio prescribed was 4.50% (minimum), which has been reduced to 3.50% (minimum) as per the RBI circular on "Basel III Capital Regulations - Implementation of Leverage Ratio", vide DBR.BP.BC.No.49/21.06.201/2018-19 dated 28th June, 2019.

$$\text{Leverage Ratio} = \frac{\text{Capital Measure (Tier I Capital)}}{\text{Exposure Measure}}$$
