financial information of the Bank for the quarter and year ended March 31, 2023.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (“SAs”) specified under section 143(10) of the Companies Act, 2013, (“the Act”) as amended. Our responsibilities under those Standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Results section of our report. We are independent of the Bank in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (the ICAI) together with the ethical requirements that are relevant to our audit of the financial results, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence by us and other Auditors in terms of their report referred to in “Other Matters” paragraph below is sufficient and appropriate to provide a basis for our Audit Opinion.

Board of Directors’ Responsibility for the Statement

4. The Statement has been prepared from the related audited annual financial statements and approved by the Board of Directors. The Bank’s Board of Directors are responsible for the preparation and presentation of the Statement that give a true and fair view of the financial position, financial performance and cash flows of the Bank and Other Financial Information in accordance with the Accounting Principles generally accepted in India including the Accounting Standards prescribed under section 133 of the Act read with Companies (Accounting Standard) Rules, 2021, the relevant provisions of the Banking Regulation Act, 1949, the RBI circulars, guidelines and directions issued by the Reserve Bank of India (RBI) from time to time and in compliance with regulation 33, regulation 52 read with regulation 63 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Companies Act 2013 for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.
5. In preparing the statement, the Board of Directors are responsible for assessing the Bank’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.
6. The Board of Directors are also responsible for overseeing the Bank’s financial reporting process.

Auditor's Responsibilities for the Audit of the Statement

7. Our objectives are to obtain reasonable assurance about whether the statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.
8. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances under section 143(3)(i) of the Companies Act 2013, we are also responsible for expressing our opinion on whether the Bank has adequate internal financial control with reference to Financial Statements in place and operating effectiveness of such control.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
 - Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the statement, including the disclosures, and whether the statement represent the underlying transactions and events in a manner that achieves fair presentation.

9. Materiality is the magnitude of misstatements in the Statement that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Statement may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Statement.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

12. We report that the figures for the quarter ended March 31 2023 represent the balancing figure between the audited figures in respect of the financial year ended March 31, 2023 and the published unaudited year-to-date figures upto December 31, 2022 being the date of the end of the third quarter of the current financial year, which was subjected to limited review by us, as required under listing regulations.
13. These financial results incorporate the relevant returns of 732 branches audited by other auditors specially appointed for this purpose. These branches audited by other auditors cover 80% of advances, 82% of deposits and 82% of non-performing assets as on 31st March 2023.

Our opinion on the financial results is not modified in respect of above matters.
